RE: Planning and Zoning Commission vacancies

I would like to be considered for one of the vacant positions on the Planning and Zoning Commission. My wife and I have been residents of Pataskala since 2001.

I have been looking for an opportunity to give something back to this community that we have called home for the past 2 decades.

As an Ohio registered architect, practicing in central Ohio since 1992, I believe I can bring a depth of knowledge regarding master planning, zoning, regional planning and architecture to the community.
