RE: 2022 Year in Review Presentation

Delivered via email and regular mail

Dear Commissioners, Council members, and Trustees,

2022 was an exciting year for the District, its customers, and the many local governments impacted by western Licking County's ongoing growth and the announcement of the Intel project. Over the course of the year, the District took many deliberate steps to plan for and meet the water and sewer needs for this growth. These actions include the following: receiving requests for service from Union and Jersey Townships, partnering with Union Township in a joint economic development district, undertaking the necessary steps to construct the

Wagram treatment plant and upgrading capacity in both the York and Gale road facilities, hiring Raftelis to provide financial guidance that resulted in a path to permanently eliminate the DE fee, and hiring Arcadis and CDM Smith to conduct strategic plans that focus on preparing for the growth in the 161-area and the historic service area respectively. Through these efforts, the District is prepared to be the regional water and sewer provider for western Licking County which helps us in keeping with our long-standing commitment to first and foremost providing affordable water and sewer rates to our customers.

The District would like to provide a comprehensive overview of all the actions taken this year. The District will hold this meeting at 623 W. Broad Street, Pataskala (the conference room of the Pataskala police station) on Monday, January 23, 2023 at 6:30pm.

Because the District anticipates multiple representatives from the same legislative authority, the District will not be opening the presentation up for public discussion. Please submit questions in advance of the presentation to aking@swlcws.com. Written questions can be submitted during the presentation, but there is no guarantee they will get a response during the presentation.

If you have any questions about whether your legislative authority must notice and convene a special meeting to comply with Open Meetings Act, please contact your legal counsel to discuss that matter.

We look forward to opportunity to share this information with everyone.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andrew King", with a long horizontal flourish extending to the right.

Andrew King
