STAFF REPORT

Variance Application VA-18-020

Applicant:	Faith Seed Investments
Owner:	Faith Seed Investments
Location:	21 Benton Street
Acreage:	0.13 acres
Zoning:	R-7 – Village Single Family Residential
Request:	Requesting a variance from Section 1221.05(B)(1) of the Pataskala Code to allow for an accessory building that would exceed the maximum permitted size.

Description of the Request:

The applicant is seeking a variance to allow for an Accessory Building permit to be issued for a 10' x 14' (140-square feet) shed which fails to meet the maximum permitted accessory building size.

Staff Summary:

The property currently contains a 1,216-square foot home in the Northeast corner that was constructed in 1900, and a 675-square foot garage in the Southwest corner that was built in 1960. The applicant has constructed a 140-square foot shed next to the existing 675-square foot garage for a total of 815-square feet. Section 1121.05(B)(1) of the Pataskala Code limits the maximum square footage for accessory buildings on lots less than 2 acres in size. This is determined by the following formula:

$$((\text{Gross acreage of lot}) \times 600) + 120) \times 2$$

The applicant's lot is 0.13 acres in size, using the equation $((0.13) \times 600) + 120) \times 2 = 396$ -square feet. The shed and garage exceed the maximum permitted square footage by 419-square feet, or by 49%. The site plan as submitted does not include a distance to the south property line, however, according to the application and narrative, the applicant has built a roof on top of the fence that was previously approved. This fence is on the applicant's property line, which gives the shed a setback of 0 feet.

The applicant also stated in the narrative that the purpose of the shed is to serve as a shelter for his Great Danes.

The applicant had initially constructed a fence and was cited for not obtaining a Fence Permit by the Zoning Inspector. After a court summons and order was issued, the fence permit was applied for. During the final inspection of the fence, the Zoning Inspector discovered a shed was also built. The Zoning Inspector informed the applicant that an Accessory Building Permit was required for the shed. The applicant did not take any action towards applying for a permit and was issued a court summons. When

the applicant submitted the Accessory Building Permit Application, staff determined that the shed exceeded the maximum permitted square footage for accessory buildings, and a variance would be required. The applicant appeared before the Pataskala Mayor's Court for the Accessory Building Permit Violation on August 16, 2018, and the Magistrate ordered him to submit a Variance application by September 14, 2018.

Staff Review: *The following review does not constitute recommendations but merely conclusions and suggestions from the summary.*

In addition to the requested variance, staff has identified a need for a side yard setback variance. The constructed shed sits even with the fence, which was built on the property line. Section 1221.05(E)(1) requires a 5-foot setback of accessory buildings from property lines on lots less than two acres. The Board of Zoning Appeals may choose to grant this variance along with the requested variance in this application. In this case, the variance request will be for the full 5 feet, with a side yard setback of 0 feet.

When staff visited the property to photograph the shed for the purposes of this variance on September 26, a man performing electrical work in the shed and garage confirmed that the shed was built for housing the dogs. This gentleman also stated that there is a pass-through built into the shed and garage to allow for the dogs to go in between the two structures, and that he estimates there to be approximately a dozen dogs housed on the property. Staff witnessed five dogs in the enclosed yard and were told by the man present on the property that these were the puppies, and that the two parents were inside the structure, for a total of at least seven dogs.

Online inquiries by the Zoning Inspector have supplied several online advertisements for Great Dane puppies. The first, posted on February 22, 2018 lists the applicant's phone number and was posted under the username "danesrrfarms". As of October 1, 2018, there were 6 puppies for sale under the username "danesrrfarms". These ads were removed December 11, 2018. Also included are 10 violations from the Licking County Dog Warden for failure to register dogs. 4 violations on March 31, 2017, 4 violations on October 12, 2017, and 2 violations on October 13, 2017. Each violation constitutes an offense for a separate dog. The Zoning Inspector has also commented on several previous, and current code violations. Full comments are attached.

Section 1203.03 defines a Kennel (Private) as "Any lot or premises on which five or more domesticated dogs or cats, of more than four months of age, are housed, groomed, bred, boarded, trained, or sold". The online advertisements, citations from the Licking County Dog Warden, and information provided to staff during the visit to the property gives staff reason to believe a kennel is being operated on the premises. Kennels are neither a permitted or conditional use within the R-7 Zoning District pursuant to Sections 1237.03 and 1237.04 of the Pataskala Code. By definition, the Applicant is operating a kennel as 5 or more dogs over 4 months of age are located on the property and dogs are being offered for sale.

The Licking County Building Code Department requires a building permit for any new structure or addition that is attached to an existing structure. The applicant did not state in the variance application whether the constructed shed is attached to the existing garage, however from the photographs taken of the shed on 9/26/2018 and the statement of the man performing electrical work in the shed, staff believes that the shed is attached to the existing garage. Staff contacted the Licking County Building Code Department, and they have received no building permit applications for 21 Benton St.

Paula Evans and Brady Fortney, of the Licking County Humane Society (LCHS) contacted Mr. Collins at the 21 Benton Street address on October 2, 2018. In a summary of their visit sent to Staff they described seeing 11 dogs; 4 adults, 2 young adults 11 months old, and 5 puppies 11 to 14 weeks old. There was another dog in the house which Mr. Collins' claimed was his daughters. LCHS Humane Agents raised concerns over 2 of the dogs having a condition known as "cherry eye", as well as concerns over unsanitary and hazardous conditions for the dogs in the garage and enclosed area. LCHS required through notice to Mr. Collins to address the cherry eye on 2 of the Great Danes within 24 to 48 hours, clean up the fence area, and be put on a re-check list to verify items have been corrected. Full comments from LCHS are attached.

Also Present during this visit was Licking County Animal Shelter Deputy Tyler Moore, who questioned Mr. Collins on the licensing of the dogs. Mr. Collins stated he had purchased 2 tags. Deputy Moore made a list of the dogs present and stated he would be sending Mr. Collins a citation for the remaining un-licensed dogs.

Paula Evans followed-up with staff via a phone call on October 8, 2018. She stated Mr. Collins said he plans to sell the 2 dogs with cherry eye, however he would be taking them to a vet for surgery prior to doing so. Ms. Evans told Mr. Collins that he will have to inform LCHS Agents where the appointment will be taking place. She also stated that should Mr. Collins choose to surrender some of the dogs, he will have to surrender them to LCHS.

On October 8, 2018, Zoning Inspector Steven Blake visited the property and observed at least 2 dogs loose from their enclosure. One on Benton Street, and the other on Jefferson Street.

The City of Pataskala Police Department has provided additional documents pertaining to issues with dogs. In 2016 there were 2 incidents of Dogs at Large. 4 incidents in 2017, and 3 incidents so far in 2018, that the Pataskala Police Department has responded to.

Staff followed up with the Licking County Dog Warden on December 3, 2018. As of that date the applicant has not obtained licenses for 9 of the dogs present at the property.

Also included is a comment from a neighbor received by staff via email on October 9, 2018. Please see the minutes for additional neighbor comments from the previous hearing on November 13, 2018.

Variance Requirements:

According to Section 1211.07(1) of the Pataskala Code, the Board of Zoning appeals shall consider the following factors when determining if an area variance is warranted:

- a) *Whether the property in question will yield a reasonable return or if there can be a beneficial use of the property;*
- b) *Whether there are unique physical circumstances or conditions that prohibit the property being developed in strict conformity with the zoning regulation such that a variance is necessary to enable the reasonable use of the property;*
- c) *Whether the variance requested is substantial;*
- d) *Whether the essential character of the neighborhood would be substantially altered or the adjoining properties would suffer a substantial detriment as a result of the variance;*
- e) *Whether the variance, if granted, will substantially or permanently impair the appropriate use or development of adjacent property;*
- f) *Whether the variance, if granted, will be detrimental to the public welfare;*
- g) *Whether the variance, if granted, would adversely affect the delivery of government services;*
- h) *Whether the property owner purchased the subject property with knowledge of the zoning restriction;*
- i) *Whether the property owner’s predicament can be obviated through some other method than variance;*
- j) *Whether the variance, if granted, will represent the minimum variance that will afford relief and represent the least modification possible of the requirement at issue; and,*
- k) *Whether the spirit and intent behind the zoning requirement would be observed and substantial justice done by granting the variance.*

Furthermore, Section 1211.07(2) allows other factors to be considered, including comments from City staff, when determining if an area variance is warranted. The following factors from Section 1211.07(2) are applicable to Variance Application VA-18-020:

Re: Variance Request 18-020
21 Benton Street
Faith Seed Investments LLC / Paul Collins

Zoning Inspector Summary

During the inspection of the fence in February 2018, I observed the Accessory Building on the property which a variance request is now before the board. There was no permit for the Accessory Building at the time of my inspection. A Court summons and order was required to have Mr. Collins comply with Accessory Building permit requirement.

Mr. Collins had also failed to apply for the required permits on the fence on his property in April 2017 and a Court summons and order was also required to have Mr. Collins comply with Fence permit requirement.

Area neighbors have complained concerning Mr. Collins failure to maintain his property, contain his dogs, the dogs defecating on neighboring properties and the safety concerns for residents, especially elderly and children with these dogs running loose. These dogs are Great Danes weighing from 100 to up to 200 pounds.

- Pataskala Police cited Mr. Collins on 2-24-2017 for dogs running at large.
- Licking County Dog Warden cited Mr. Collins Failure to confine dogs on 3 separate occasions in late 2017 including 10 violations for Failure to Register Dogs. (see attached documents)

Mr. Collins stated during my fence inspection the shed was built for his dogs. On line inquiries indicate recent puppy sales by danesrrfarms associated with Mr. Collins by evidence of Mr. Collins phone number being listed. (see attached documents). 21 Benton street is in the R-7 Zoning and Dog Kennels are not a permitted use.

Recent complaints include:

- 9-24-2018 Area church on dogs running loose, safety of church members, especially elderly and children. Dogs defecating on parking lot. Trash on his property.
- 8-20-2018 Trash, vehicles on property and dogs running loose and dogs using neighboring properties as "dumping grounds" daily.
- 6-25-2018 complaint on trash, dogs running loose, 3-4 adult dogs plus puppies on property.
- 4-9-2018 Neighbor complaint regarding dogs and trash.
- 3-28-2018 Trash, dogs loose and odor.

As of 9-27-2018 warning notices were sent to Mr. Collins regarding 3 current Code Violations: Trash, Inoperable vehicles (5 total) and Commercial Vehicle Parked in Residential

Since 2016 to present, Mr. Collins has had 9 cases in Pataskala Mayor's Court including 4 which involved failure to obtain the required zoning permits after being notified.

A total 32 pre-summons notifications and 13 Mayor's Court Summons have been issued to Mr. Collins since 2016 to present.

Re: BZA Hearing December 11, 2018
VA-18-020

Dear BZA members,

Several items stated at the BZA hearing on December 11, 2018 regarding 18-020 Variance Application need correction.

Recording 16:33 Mr. Moser “D is an actual Zoning Permit from the City of Pataskala.”

Correction: Submitted copy of Permit Placard is for display at the property once permit is approved.
Permit cannot be approved until a variance is granted. Permit is not approved.

Recording 18.04

Mr. Moser: “explained it (shed) was for his dogs, there is some kind of allegation that he is run some kind of kennel here and he does have dogs that had babies and to get rid of the babies that happens yes, there is some kind of discussion with the Newark Municipal Court as we speak. It has to do with his alleged failure to register 9 dogs *5 under 8 weeks at the time of citation.*”

Correction:
“shed for his dogs”

Note: Accessory building, which variance is being requested, was built sometime before January 19, 2018.

In 2018 I have received over 10 complaints regarding Mr. Collins dogs running loose beginning in March 2018 and as recent as December 2018 after Accessory Building was built “for the dogs.” I have personally seen Mr. Collins’ dogs loose on 4 separate occasions in 2018.

In 2017, Mr. Collins was cited by the Licking County Dog Warden 10 times on 3 separate dates for failure to register dogs, 3 separate times for dogs running loose, and one time by Pataskala Police for dogs running loose. In 2018, Mr. Collins was again cited by the Licking County Dog Warden for 9 violations for failure to register dogs. In total Mr. Collins has received 4 violations for dogs running loose and 19 citations for failure to register dogs.

“some kind of kennel”

Humane Officer, Paula Evans, in her report dated October 3, 2018 stated she witnessed 4 adult dogs, 2 adult males 11 months old and 5 puppies approximately 12 to 14 weeks old. Pursuant to Section 1203.03 of The Pataskala Code a Kennel (private) is defined as any lot or premises on which five or more domesticated dogs or cats of more than four months of age, are housed, groomed, bred, boarded, trained, or sold.

Mr. Collins advertised 5 Great Dane puppies 11 weeks old around April 9, 2018 on Hoobley.com under danesRRfarms with his phone number listed for contact. Prices ranged from \$1,000 to \$2,500 each for total of \$9,400 These were not the same 5 dogs *“under 8 weeks at the time of citation on October 2, 2018.”* It is clear that the dogs had an additional litter of puppies and “getting rid” of the puppies would net Mr. Collins over \$9,000.

By definition, Mr. Collins is operating a kennel as six dogs are being housed on the property and dogs are being offered for sale.

Recording 19:18

“it’s not attached to anything, it’s not attached to the garage. Mr. Collins has taken Steven Blake over there several times to demonstrate that to him.”

Correction:

February 28th, 2018 inspecting fence installed on the property. Observed the Accessory Building, was attached to the garage at that time. Informed Mr. Collins it would require a permit from Pataskala Zoning and Licking County Building. This was the only inspected of the Accessory Building done, and Mr. Collins has never “taken” or invited me to “demonstrate” anything to me regarding the accessory building.

INVESTIGATIVE REPORT

October 3, 2018

Paul Collins

21 Benton St.

Pataskala, OH 43062

A complaint was received concerning the living conditions and medical concerns relating to 12 dogs located at 21 Benton St., Pataskala, OH 43062 which are approximately 12 Great Danes on the property. There are adults and puppies. Concerns raised were the unsanitary and hazardous conditions and several of the dogs show having signs of cherry eye.

Contact was made with Mr. Collins on October 2, 2018. I, Brady Fortney (LCHS Staff/Humane Agent in Training) and Deputy Tyler Moore, Licking County Animal Shelter were on the scene. When we first arrived we made contact with Mr. Collins son and he stated his dad was in the garage. I was able to observe 5 puppies, 2 younger adult Great Danes in a fenced area that was covered in debris. You could also smell a strong odor of feces. Mr. Collins came out and was not receptive that we were there and voiced his concern that this was being driven by the zoning department. I explained I was there to look at the living conditions and how the dogs were being housed and that there were also complaints that some dogs showed visible signs of cherry eye.

Finally after the arrival of Pataskala Police Department Mr. Collins gave us permission to enter the property. He was asked multiple times that he was in agreement for us to enter and observe the dogs. He stated yes. He allowed me and Deputy Moore to enter. Upon entering the following was observed.

- 4 adult dogs were in the garage/mechanic area of the garage and blocked off into one area. This area is used as a workshop so there are a lot of tools, equipment, chemicals and items related to operating a workshop. The area the 4 dogs were in had a lot of stuff and these were 4 large great danes. One dog displayed a swollen eye from possible eye entropia.
- The attached area had a "man cave" room with furniture in it and off of it was another area that he had wooden kennels set up that were made of wood that lead out into the back yard area.

We proceeded outside and I stood on the chair and was able to observe the fenced area in the back which had multiple areas of debris. It ranged from furniture, wood pile, pallets, doors windows, metal roofing material (which was in an area where a dog could be seriously injured), plus a trash pile and other odds and ends of debris. I noticed 2 younger adult black great danes that both showed signs of extreme cherry eye. There were also 5 puppies running around. The 2 younger adult danes were trying to get into the trash that Mr. Collins son had just put over the fence. Mr. Collins stated that the area was a mess because he had to move pallets into the fenced area and the unsanitary and hazardous conditions had just happened over the last few days.

I went over the concerns about the amount of hazardous items in the fenced area that could be harmful to the dogs being out in the area. In addition, concerns relating to the medical regarding the cherry eye on 2 of the dogs. Mr. Collins was not the easiest person to deal with on the situation. He was questioned on licensing of the dogs by Deputy Moore and stated that he purchased 2 tags for 2018. A list of dogs was made by Deputy Moore and he would be sending Mr. Collins a citation for the remaining dogs. Dogs identified were 4 adults, 2 adult males 11 months old and 5 puppies approximately 12 to 14

INVESTIGATIVE REPORT

weeks old. There was another dog in the house that he would not show us that he stated belonged to his daughter.

Mr. Collins was not willing at times to continue the conversation to get things resolved so the following requirements were put in place by giving Mr. Collins Notice:

1. He is required to get the 2 black great danes into a veterinarian within 24 to 48 hours regarding the cherry eye.
2. He needed to clean up the fence in area to eliminate the hazardous environment and clean up the unsanitary conditions.
3. He would also be put on a recheck list to verify the items had been corrected.

At this point Mr. Collins stated we were done and we left the property.

NARRATIVE

INVESTIGATOR NOTE:

On September 7, 2018 at 12:37 PM I was dispatched to 21 Benton St. Pataskala Ohio, 43062 to take a report in reference to an assault.

Upon my arrival I met with the victim, Paul Collins who was bleeding from his left hand and the laceration appeared to me to need stitches however Mr. Collins denied medical treatment and chose to wrap his hand. Mr. Collins stated one of his employee, Mark Brown keeps accusing the other workers of sleeping with his girlfriend and today Mark called him and stated he lied and was covering for one of the employees. Mr. Collins stated Mark showed up at his house and had a crow bar and smashed a bird house and then went to swing at him and he blocked the hit with his left hand and that is when it got cut. At this time another employee, Mark Ramirez stepped in and was able to get the crow bar away from him and took Mark Brown to the ground to try and restrain him. Both Mr. Collins and Mr. Ramirez stated when they were trying to restrain Mr. Brown they both threw strikes to defend themselves. After letting Mr. Brown up both stated he pulled a knife on them and they backed off and Mr. Brown started to walk away and told them he would be back with his gun.

I had Mr. Collins and Mr. Ramirez fill out written statements and their statements were consistent and Mr. Collins stated he was unsure of how he wanted to proceed from this point. Mr. Collins stated he does not necessarily want Mr. Brown to go to jail but stated he is ex-military and with the recent loss of his son and father he now has severe anger issues but didn't want Mr. Brown to come back to his property. I advised Mr. Collins I would take the report and call Mr. Brown and advise him not to return to the property and then he could let me know if he wanted to pursue charges after he thought about it. I then took pictures of Mr. Collins' hand and a scratch on his shoulder and asked again if he wanted a medic and he denied it once again.

After clearing the scene I called Mr. Brown and asked him what happened earlier and he stated it was just a misunderstanding about a girl. I asked Mr. Brown if he hit Mr. Collins with a crow bar and he denied it and stated they had a little tussle and during the tussle Mr. Collins stuck his thumb into his eye ball and was on the way to the hospital because he couldn't see out of it. I then advsied Mr. Brown not to return to Mr. Collin's property.

REPORTING OFFICER: Lorenz, George	BADGE NO.: 512	DATE: 02/24/2017 12:30

NARRATIVE	INVESTIGATOR NOTE:	
	<p>On February 24, 2017 I met with Charles Parsons on station. He stated he was in the garage behind the Methodist Church next to the P.D. There were 4 Great Danes running in the parking lot and barking at them. Charles was in fear for his safety and came to the station. Charles stated there was no owner in sight but has seen the dogs at large before and has filed complaints on them before.</p>	
	<p>The owner, Paul Collins Jr, resides at 21 Benton Street. As I pulled up to the residence, I parked on the street. There were 2 Great Danes laying in the yard. They got up and entered the roadway barking and growling at me. Paul came outside and put the dogs in his truck.</p>	
	<p>I advised Paul that there have been at least 6 complaints about his dogs in the last 6 to 8 months. I again explained the leash law to him. Paul stated the dogs will not hurt anyone and were on his property. I advised him of the complaint and where the dogs were, on the Church property. He stated he did not see them leave the yard. I advised him the dogs needed to be confined on his property so they can't leave.</p>	
<p>Paul was issued a citation for dogs at large. The 4 dogs had expired tags. He was advised to get them renewed, that they expire every year.</p>

NARRATIVE

INVESTIGATOR NOTE:

On the above listed date I was on routine patrol in my marked cruiser stationary on SR 310 near Mill Street. I ran the Ohio license plate number, GEY6319, of a northbound vehicle. When the vehicle passed me I noticed that the rear Ohio license plate number, FGH5662, was different from the front plate number. I caught up to the vehicle and activated my overhead lights as it turned eastbound onto Benton Street. The vehicle, a white 1998 Pontiac Bonnyville, pulled over and parked at 21 Benton Street. The rear license plate, FGH5662, came back to a 2012 GMC SW whose owner is Pual Collins who lives at 21 Benton Street. That license plate did not have a valid registration tag on it but came back as being valid. The front license plate, GEY6319, came back to a 1998 Pontiac Bonnyville whose owner is Angela Rice. That license plate did not come back as stolen and the registration expired on 3-25-17.

I spoke with the driver, Jerry Crutchfield II, who stated that he was working on the vehicle for Mr. Collins. He stated that Mr. Collins told him to drop it off at the house and that he would meet him there. I asked him for his drivers license and he said that he did not have it on him. I asked him if he was valid and he stated that he was not valid. I ran his social security number through dispatch and they advised me that he had a valid warrant out of Reynoldsburg. I placed Mr. Crutchfield under arrest and searched him incident to arrest. Dispatch got into contact with Reynoldsburg and they stated that they wanted him. I issued Mr. Crutchfield a citation for driving under a non compliance suspension, advised him of his mandatory court date, transported him to the COTC parking lot, and exchanged custody with Reynoldsburg with no incident.

I gave Mr. Collins a courtesy call instead of impounding the vehicle. He did not answer so I left a message stating to get back with me ASAP so I would not impound the vehicle. Mr. Collins called me a little later and stated that he did not tell Mr. Crutchfield to drive the vehicle to his house and that he bout the vehicle from Angela Rice. He said Mr. Crutchfield also was working on another one of his vehicles that matched the description of the GMC the rear license plate number came back to. Mr. Collins said that he had the title but would not be back till Monday. I advised him that I would not impound the vehicle and that he cannot drive it until the license plate infractions were corrected. Mr. Collins advised me that he would remove all license plates and have it towed. He also stated that he did not want to press additional charges on Mr. Crutchfield.

Nothing further at this time.

NARRATIVE

INVESTIGATOR NOTE:

On 07/10/2017 at approx 0110 hours, I observed a red pickup truck traveling north on Main Street near George Street. I pulled up behind the truck and as I entered the Ohio license plate number that was displayed on the rear of the truck into my BMV computer, (Oh tag HCG9949) the truck turned onto Benton Street and pulled into a parking spot at a church. The driver got out of the truck and walked up to a house across from the church. I drove around the block and parked in an alleyway to see if the truck was going to leave a short time later. Approx. 15 minutes later, the truck then left and traveled south on Jefferson Street. I began to follow the truck and noticed that the truck did not have a white light illuminating the rear license plate. The truck then turned west on to Mill Street without using a turn signal to indicate the turn. The truck was stopped for said violations.

I advised dispatch of the traffic stop and gave them the tag # and location of the stop. Dispatch confirmed the tag # and advised that the truck was reported stolen. The driver opened the drivers side door and I told him to close the door. I then approached the drivers side and opened the door and had the driver, John Roshon exit the vehicle and placed him in handcuffs. I advised him that he was being detained. I patted him down for weapons and placed him in the rear of my cruiser. It was verified through dispatch / LEADS the the vehicle was stolen. I read Mr. Roshon his constitutional rights and asked him if he wanted to answer any questions. He said sure. I asked him where he got the truck from tonight and he said he got the truck from a guy named " Brian" but had no idea what Brians last name was. Mr. Roshon said that he was to come over to the house that he just left to get \$10 and return back to where he came from in Reynoldsburg. Mr. Roshon was placed under arrest for the listed charge and upon completion of the paperwork, he was transported to the Licking County Justice Center and slated on the listed charge.

It should be noted that the truck was reported stolen through the Columbus Police Department (Report # 170506697-004). A copy of that report is included in this report. It should also be noted that while en route to the jail, Sgt. McGeorge advised that the vehicle owner arrived at our station. I contacted him by phone and he said that she did not know Mr. Roshon and he did not have permission to have the truck. After leaving the jail and returning to our station, it was found that the owner Barbera Romans was now saying that her boyfriend / ex boyfriend had given Mr. Roshon permission to drive the truck. She completed a statement and a copy of that statement is included in this report.

NARRATIVE

INVESTIGATOR NOTE:

Case #: 07-28269-17
 Reference: Receiving Stolen Property
 Status: Closed by arrest
 Date: 07/10/17

On the above listed date, I was on regular patrol when I heard Ofc. J. Gross mark out with a traffic stop on Mill St. East of Main St. Pataskala, Oh 43062. I responded to assist him when I heard the dispatcher advise Ofc. Gross that the vehicle he had stopped was a stolen vehicle.

I arrived on scene a short time later and Ofc. Gross already had a white male (later identified as a John Roshon) in handcuffs and was placing him in the rear of the cruiser. We verified through Leads that the vehicle was a stolen vehicle out of the Columbus Police Department. I then assisted with the impound of the vehicle and Ofc. Gross completed his paperwork and transported Mr. Roshon to the Licking County Jail.

Etna Towing arrived on scene and while they were finishing up putting the truck on their tow truck, the vehicle owner (a Barbara Romans) showed up. Ms. Romans stated to me that they had been looking for the truck for a couple of weeks. She then asked if she could have the truck and the tow truck driver advised her that she would have to pay the tow bill. She stated that she would go down and speak with her boss to get the money and they agreed to meet at our Police Department.

When I got down to our Police Department a short time later, I spoke with Ms. Romans and her boss a Paul Collins Jr. Ms. Romans was then saying to me that the vehicle was not stolen. She was now crying and was bending over in pain. Ms. Romans stated to me that she had reported the vehicle stolen when her boyfriend had taken it and was supposedly out stealing items and that she has had the vehicle back for about four (4) weeks and that she hadn't called the Columbus Police Department to let them know that it had been returned. She stated that she had been fighting with her boyfriend and that she had forgot to call. I then asked her if she knew who had the truck tonight and she stated that her boyfriend let "Rick" (Mr. Roshon) drive the vehicle. I asked her if Mr. Roshon had permission to take the truck and she stated that her boyfriend gave him permission to drive the vehicle. I then asked Ms. Romans if she wanted charges filed on Mr. Roshon and she said no.

I called for a medic to come and check Ms. Romans out and then had her fill out a statement form. While she was completing the statement, her boyfriend (a Brian Anderson) came down. He stated to me that Ms. Romans has mental issues and that she has been off her meds and that she had not called the Columbus Police Department back because she was trying to hold the truck over his head. The vehicle was then released to Ms. Romans and I cleared from the scene. Nothing further at this time.

NARRATIVE

INVESTIGATOR NOTE:

On May 19, 2016 I was dispatched to 342 C South Main Street in reference to an unauthorized use of a motor vehicle complaint. Upon arrival I spoke with Paul Collins. He stated that on Monday evening, around 9:00 PM he let his friend, Shawn Price take his vehicle, a 2002 Ford F-350, 4 door, black with a red hood, , diesel, with 3/4 tank of fuel, FTY1898, to Busters Corner Store to get cigarettes and beer. Shawn never returned.

Paul stated that Shawn was staying at a hotel on SR 37, but had no more money to stay there. Paul had Shawn doing odd jobs at his business, R&R Farms, and had given him enough money for him to stay there for a few weeks. Paul checked the hotel for the vehicle and it was not there. He has also called the jails and hospitals but was unable to locate Shawn.

I asked Paul if he had contacted Shawn by phone. He stated that Shawn did not have a phone. I ran Shawn in OHLEG and found an address in Gahanna. Gahanna PD checked the residence. Shawn does not reside there.

Paul stated that he will file charges on Shawn for the unauthorized use. I will send the charges to Municipal Court.

ON JUNE 26TH, 2016 AT APPROXIMATELY 2030 HOURS, I WAS FLAGGED DOWN BY A CITIZEN IN REGARDS TO A BREAKING AND ENTERING COMPLAINT. THE VICTIM, PAUL COLLINS, OWNS 21 BENTON ST. AND HAS BEEN REHABILITATING THE RESIDENCE. HE STATED THAT A FRIEND OF HIS, THOMAS WOODARD, WAS IN THE AREA AND NOTICED A RED FORD F-350 TRUCK IN FRONT OF THE HOME. MR. TO PICK UP HIS VAN, HE SAW THAT THE BACK DOOR TO THE RESIDENCE WAS OPEN, AND THE GLASS FROM THE SCREEN DOOR WAS BROKEN. IT WAS THEN FOUND OUT THAT NUMEROUS ITEMS WERE STOLEN FROM THE RESIDENCE. THESE ITEM INCLUDE AN ORANGE SHOP-VAC, A RYOBI MITER SAW WITH STAND (FIBER TAPE ON SAW HANDLE), AND A PORTER CABLE AIR COMPRESSOR THAT IS MISSING A WHEEL.

MR. COLLINS STATED THAT HE SUSPECTS THE RESPONSIBLE PARTY MAY BE A BRIAN ANDERSON, WHO HAD PREVIOUSLY HELPED WORK ON THE HOUSE. MR. COLLINS STATED THAT A PAST BOSS OF MR. ANDERSON, RON LOCKHART, HAD RECENTLY CONTACTED HIM IN REGARDS TO TOOLS STOLEN FROM HIM BY MR. ANDERSON. MR. COLLINS ALSO WAS ABLE TO FIND OUT THAT THE CURRENT BOSS OF MR. ANDERSON HAS A TRUCK SIMILAR TO THE ONE SEEN AT HIS RESIDENCE BY MR. WOODARD.

PHOTOS OF THE DAMAGED DOOR AS WELL AS TIRE TRACKS AND SHOE PRINTS WERE TAKEN FROM THE PROPERTY. SOON AFTER, DET. WILES ARRIVED TO ASSIST ON THE CALL. PRIOR TO CLEARING, I TOLD MR. COLLINS THAT I WOULD CONTACT HIM ON THE 27TH CONCERNING ANYMORE INFORMATION THAT HE COULD FIND OUT.

SPOKE WITH TOMMY LEE IN REGARDS TO DOGS CHASING HIS KID THE NIGHT PRIOR. THE DOGS BELONGED TO A TENANT ACROSS THE STREET, PAUL COLLINS. MR. LEE STATED THE DOGS ARE ALWAYS OFF THEIR LEASHES, AND GO ONTO HIS PROPERTY. MR. LEE STATED HE HAD WORDS WITH MR. COLLINS ABOUT THE ISSUE, BUT NO DIRECT THREATS WERE MADE. I THEN SPOKE WITH MR. COLLINS AT 21 BENTON ST., AND ADVISED HIM OF THE COMPLAINT. I EXPLAINED TO HIM OUR ORDINANCE, AND SUGGESTED THAT IT WOULD PROBABLY BE BEST TO ALWAYS HAVE HIS DOGS ON LEASHES WHEN THEY ARE OUTSIDE BECAUSE OF HIS UNIQUE RESIDENCE SITUATION AT THE TIME BEING. MR. COLLINS STATED THAT HE UNDERSTOOD. HE WAS TOLD THAT HE WOULD PROBABLY BE CITED IF ANOTHER COMPLAINT WAS FIELDLED REGARDING HIS DOGS. IT WAS MR. COLLINS BELIEF THAT THE COMPLAINT STEMS FROM A PAST CIVIL ISSUE BETWEEN HE AND MR. LEE.

Subject: Variance Application VA-18-020

To whom this concerns,

This is from Randy and Lou Ann Weisenstein who own the residence at 492 Jefferson St and are in the process of acquiring another property nearby 21 Benton Street. Because of other commitments, we are unable to attend the public hearing October 9, 2018, however, we wish to express our thoughts via this email message. We are aware of all past and current violations by the property owner at 21 Benton Street and know other property owners in the area have filed several complaints. We are opposed to allowing the variance VA-18-020 (for the purpose of kenneling large dogs or any other reason). We also feel the entire property needs to be cleaned up by removing several unlicensed vehicles. We are concerned about surrounding property values being negatively affected because of choices made by the current property owner and we hope city of Pataskala officials follow through with enforcements as necessary for any outstanding violations.

Thank you for the opportunity to express our views and thoughts concerning this matter with the BZA members.

Sincerely,
Randy & Lou Ann Weisenstein
