

**Request for Proposal
For the City of Pataskala's
Jefferson Street Waterline Project**

Deadline for Submittal: Friday, June 12, 2020

City of Pataskala
Office of the Utility Director
430 South Main Street
Pataskala, OH 43062

1. PROJECT SCOPE

The City of Pataskala (The “City”) is requesting proposals from engineering consulting firms (“Consultant”) to complete engineering design services for Pataskala’s Jefferson Street Waterline project.

The City of Pataskala is undertaking a project to upgrade the water main on Jefferson Street. This project will begin at the intersection of Jefferson Street and Mill Street, then head north down Jefferson Street to Depot Street, then head east down Depot Street to Race Street. All existing connections to the water main will be re-established. The water main currently is a dead end at Depot Street and Race Street, but will need to be tied together at this point as a part of this project.

2. SCOPE OF SERVICES

2.1 Scope of Work

The scope of work to be undertaken by the successful proposer includes the following tasks:

- a. Meet with City to review the work to be included in the Pataskala’s Jefferson Street Waterline project.
 - i. This project is anticipated to last 10 months
 - ii. Prepare a Preliminary Construction Plan set and submit to the City for Review and Comment along with a Construction Cost Estimate.
 - iii. Prepare a Final Construction Plan Set and a Signed and Sealed Construction Cost Estimate.
 - iv. Prepare and obtain Ohio EPA PTI for the project.
- b. Design the bid book including project details, specifications, and exhibits for the Pataskala’s Jefferson Street Waterline project.
- c. Manage the bid process for the construction – to include creation of bid packets, preparation of advertisement of bid, attend bid opening, and complete bid tabulation and prepare project award recommendation letter.

2.2 Compensation

Consultant shall advise the City in writing of the scope of work to be provided, the cost of the services provided and an estimated timeframe for completion. Consultant shall not proceed to perform any such services until City and Consultant have established a project cost, a completion schedule, a period of performance and the City has given its written authorization to proceed.

2.3 Ownership of Documents

Title to all final documents, including but not limited to drawings, specifications, data, reports, summaries, correspondences, photographs, computer software (if purchased on the City’s behalf), video and audio recordings, software output, and any other materials with respect to work performed shall be provided to City upon completion of the work. Any

information obtained by the Consultant as a result of performing the services shall become the property of the City and shall not be released to others without prior written consent from the City.

2.4 Other Requirements.

Consultant shall provide the City with assurance that a continuity of personnel shall be maintained.

The selected firm must register with the City Finance Department prior to starting work.

3. PROCEDURE

The purpose of this RFP is to determine the project understanding while reviewing the technical approach and proposed costs from each prospective consultant.

The procedure and schedule for procurement of consulting services shall be:

- a. The City issues the notice requesting consultant proposals (RFP) on **May 20 , 2020**
- b. Submission of proposals by qualified consultants
 - i. All submissions must be received by the Utility Director by **11:00 a.m. on Friday, June 12, 2020**
 - ii. Electronic submission is preferred
 - iii. Submittals may be delivered to:
 1. Attention Chris Sharrock, 430 South Main Street, Pataskala, Ohio 43062
 - Two copies will be required if physical copies of submittals are delivered
 - iv. Submittals may be emailed to:
 1. csharrock@ci.pataskala.oh.us
 - v. Submittals pursuant to this invitation will not be received after the hour and date stated above.
- c. Evaluation and review of all proposals will be conducted by the City of Pataskala
- d. Selection and notification of successful firm
 - i. The firm selection and interview process is expected to be finalized by the week of **June 22, 2020.**

4. PROPOSAL FORMAT AND CONTENT

Minimum font size of 12 point required. The page limit includes resumes, project schedules, table of contents, and cover pages. Each page must be numbered. Costs for preparing and submitting a response to this RFP is entirely the responsibility of the Consultant.

The submittal shall include a cover letter, a conflict of interest disclosure statement, a summary of qualifications and experience, a project approach, and a cost proposal.

Each submittal shall be limited to fifteen (15) single-sided pages.

4.1 Cover Letter

Summary – Provide a brief summary of the qualifications and capabilities of the Consultant and any sub consultants, if appropriate.

Signature and Contact Information – The cover letter shall be signed by the Consultant’s agent who is authorized to negotiate and contractually bind the firm with the City regarding the requested services.

The Project Manager shall be listed in the cover letter and will be the main contact with the City for technical and contractual issues and shall be responsible for the direction of day-to-day progress. Provide the telephone number, e-mail address, and office location of the Project Manager.

4.2 Conflict of Interest Disclosure Statement

The Consultant shall disclose and list any financial, business, or other relationships with the City that may have an impact on the outcome of the required performance of the project. A potential conflict of interest includes, but is not limited to, work related to contracts with other City departments, other municipalities, local land developers, current clients, and other parties who may have a financial interest in the outcome of the project. At the City’s discretion, a potential conflict of interest may be waived or factored into final award decisions and/or a modified scope of work.

4.3 Qualifications and Experience

Summarize the qualifications and relevant experience for the consultant firm and any sub consultants. The following items should be included:

Summary – Provide a summary of the firm’s overall capabilities, history, recent and related experience, and expertise. Provide information on the firm’s experience related to the project’s scope of work. Provide information on the firm’s current workload, facilities, resources, and experience that clearly demonstrate its ability to successfully complete the project. Identify subconsultants and the percentage of work to be completed by each.

Representative Projects – Provide information on up to three reference projects that the proposed key personnel have completed in the last three years. The projects listed should be similar or the same as the project’s scope of work. The references should include:

- a. Project description and location,
- b. Description of services provided,
- c. Budget and schedule performance,
- d. Key personnel involved and sub consultants employed, and
- e. Client name, contact person, and current phone number and e-mail address. Should the City not reach a contact person with the contact information provided, then the reference will not be considered in the qualifications evaluation.

Reference projects should demonstrate working knowledge and experience regarding the design of similar projects, approach and methodology used, including any equipment or special software. Describe any supplemental tasks that were deemed necessary or recommended, which enhanced outcome, reduced cost, or expedited delivery.

Key Personnel – Identify proposed key personnel and support staff expected to provide engineering services on the project and the relationships thereof. Provide a resume or biography for each of the proposed key personnel focusing on relevant experience and the assigned function of each key person. Similar information is required for each sub consultant utilized.

4.4 Project Approach

Provide a detailed description of your understanding of the project and your team's approach to complete the project in a timely and cost-efficient manner.

4.5 Cost Proposal

Utilizing the scope provided in Section 2.1, provide a breakdown of the total cost of work for the proposed services.

5. CONSULTANT SELECTION

5.1 Selection Committee

The City will conduct its selection process to achieve the objective of selection of a highly qualified Consultant to perform the project work at a reasonable cost. Within this overall objective, it is also the City's intent that:

- a. The selection process be fair and open;
- b. The selection of the Consultant be based on clearly stated objective criteria;
- c. Consultant firms' proposals will be evaluated by the City Administrator and the Utility Director or their designee.

5.2 Evaluation of Consultant Submittals

The specific criteria used during the evaluation process are provided below:

- a. The Consultant's technical approach to this project as indicated by the experience of the firm and general understanding of the project scope and potential constraints. The ability of the Consultant to perform the required services competently and efficiently as indicated by the experience and availability of necessary personnel while having success in meeting contract deadlines.
- b. Past performance of the consultant as reflected by the evaluation of the City of Pataskala and other clients as indicated by their similar project experience and success in controlling and/or reducing project cost.
- c. The proposed fee for the project along with examples of the consultant's ability to finish projects within the agreed upon original budget.

6. GENERAL TERMS AND CONDITIONS

6.1 Limitations.

All facts and opinions stated herein are based upon available information and no representations or warranties are made with respect to their accuracy or completeness. This RFP and the selection process shall in no way be deemed to create a binding contract, agreement or offer of any kind between the City and Consultant. If the City selects a consultant pursuant to this RFP, any legal rights and obligations between the successful team, if any, and the City will come into existence only when an agreement is fully executed by the parties, and the legal rights and obligations of each party shall at that time be only those rights and obligations which are set forth in the agreement and any other documents specifically referred to in that agreement.

Each Consultant submitting statements in response to this RFP agrees that the preparation of all materials for submittal to the City and all presentations are at the Consultant's sole cost and expense, and City shall not, under any circumstances, be responsible for any costs or expenses incurred by any candidate. In addition, each Consultant agrees that all documentation and materials submitted in response to this RFP shall remain the property of the City and may be used by the City for any reason whatsoever. In accordance with Ohio law relating to access to public records, the City may be required to publicly disclose all submitted information and materials to third parties requesting such information.

6.2 Award.

The City reserves the right to accept or reject any or all submittals, to alter the selection process in any way, to postpone the selection process for its own convenience at any time for any reason whatsoever, to waive any defects in any submittal, to issue a new RFP at any time, or to hire any consultant it deems appropriate in its sole and absolute discretion within or outside of the RFP evaluation process.

6.3 Federal, State and Local Laws.

As part of the RFP process, the selected Consultant will be required to comply with all applicable federal, state and local laws.
