## **COMMUNITY REINVESTMENT AREA AGREEMENT**

This Community Reinvestment Area Agreement (this “Agreement”) made and entered into by and between the City of Pataskala, Ohio (the “City”), a political subdivision of the State of Ohio (the “State”); and TPA Group, LLC, a Georgia limited liability company, with its main offices located at 1776 Peachtree Street, NW, Suite 100, Atlanta, GA 30309, its affiliates, successors, nominees and/or assigns (collectively, the “Company”),

### **WITNESSETH:**

**WHEREAS**, the City desires to pursue all reasonable and legitimate incentive measures to assist, encourage and stimulate development in specific areas of the City that have not enjoyed sufficient reinvestment from remodeling or new construction; and

**WHEREAS**, the City, by Ordinance No. \_\_\_\_\_, adopted by City Council on \_\_\_\_\_, \_\_\_\_\_ (the “Ordinance”), designated the area specified in the Ordinance as the \_\_\_\_\_ Community Reinvestment Area (the “CRA”) pursuant to Ohio Revised Code (“R.C.”) Sections 3735.65 through 3735.70 (the “CRA Act”), and authorized real property tax exemption for the construction of new structures and the remodeling of existing structures in the CRA in accordance with the CRA Act; and

**WHEREAS**, in accordance with R.C. Section 3735.66, the Ohio Director of Development has forwarded to the City the Director’s determination, dated \_\_\_\_\_, \_\_\_\_\_, that the findings contained in the Ordinance are valid, and that the CRA qualifies as a community reinvestment area under the CRA Act; and

**WHEREAS**, the Company has acquired or intends to acquire or cause to be acquired the real property contained within the City and the CRA described in Exhibit A attached hereto (the “Project Site”); and

**WHEREAS**, the Company has submitted to the City an application for a community reinvestment area agreement (the “Application”); and

**WHEREAS**, the Company proposes to establish at the Project Site a master plan-based industrial park by construction of new buildings with, cumulatively, approximately 1,000,000 – 1,500,000 square feet of industrial facility space, to be used primarily for distribution/logistics, manufacturing, e-commerce and/or professional office space, together with related site improvements, all as more particularly described in the Application (collectively, the “Project”) (each individual building within the Project, with its related site improvements and any expansion that increases the total square footage of a building, may be referred to hereinafter from time to time as a “Building”), provided that the appropriate development incentives are available to support the economic viability of the Project; and

**WHEREAS**, the Company does not anticipate that it will equip or occupy Buildings or hire employees at the Project Site; rather, the Company intends to transfer any combination of Buildings, parts thereof or portions of the Project Site to one or more transferees by lease, sale

and/or other means of transfer (the Company and such transferees other than by lease, together with any successors and assigns, collectively or singly, as the context requires, may be referred to hereinafter from time to time as an “Owner” or the “Owners”); each such transfer other than by lease may be made pursuant to a certain assignment and assumption agreement as described more fully in Section 17 hereof in order to bind each Owner to and under this Agreement; and

**WHEREAS**, the Company has remitted with the Application the required state application fee of \$750.00, made payable to the Ohio Development Services Agency, to be forwarded with the executed Agreement, and has paid any applicable local fees; and

**WHEREAS**, pursuant to R.C. Section 3735.67(A) and in conformance with the format required under R.C. Section 3735.671(B), the City and the Company desire to formalize their agreement with respect to matters hereinafter contained; and

**WHEREAS**, the Project Site is located in the Licking Heights Local School District (the “School District”) and in the Career and Technical Education Center of Licking County, and the board of education of each such district has been notified of the proposed approval of this Agreement in accordance with R.C. Sections 3735.671 and 5709.83, or has waived such notice, and has been given a copy of the Application; and

**WHEREAS**, City Council, by Ordinance No. \_\_\_\_\_, adopted \_\_\_\_\_, 2021, has approved the terms of this Agreement and authorized its execution on behalf of the City; and

**WHEREAS**, pursuant to R.C. Section 3735.671, the Board of Education of the School District has (i) approved the terms of this Agreement contingent upon the execution of a Compensation Agreement with the School District (the “Compensation Agreements”), including the one hundred percent (100%) real property tax exemption for up to fifteen (15) years for new construction; and (ii) waived its rights to receive the forty-five day and fourteen-day notices under R.C. Sections 3735.671 and 5709.83; and

**WHEREAS**, the parties recognize that the exact legal and financing structure used by the Owners in developing, equipping and operating the Project may include additional legal entities and may evolve prior to and during the operation of the Project;

**NOW, THEREFORE**, in consideration of the mutual covenants hereinafter contained and the benefit to be derived by the parties from the execution hereof, the receipt and sufficiency of which are hereby acknowledged, the parties herein agree as follows:

**1. Project.** The Owners, their lessees and/or their successors or assigns shall make a good faith effort to complete the Project. The cost of the investments to be made in connection with the Project by the Owners, their lessees and/or their successors or assigns is estimated as (i) approximately \$50 million to \$60 million for construction of new buildings to contain, cumulatively, approximately 1,000,000 – 1,500,000 square feet of space; (ii) approximately \$5 million to \$8 million for acquisition of machinery and equipment; (iii) approximately \$2 million to \$5 million for acquisition of furniture and fixtures; (iv) approximately \$10 million to \$25 million for tenant improvements; and (v) \$0 for acquisition of inventory at the Project Site. The estimates

provided in this Section are good faith estimates provided pursuant to R.C. Section 3735.671(B) and shall not be construed in a manner that would limit the amount or term of the tax exemptions provided in this Agreement. The parties recognize that the costs associated with the Project may increase or decrease significantly. The parties also recognize that costs do not necessarily equal otherwise taxable value.

**2. Values of Personal Property.** The value for Ohio personal property tax purposes of the personal property of the Company, including, but not limited to, machinery, equipment, furniture, and fixtures, located at another location in Ohio prior to the execution of this Agreement and relocated or to be relocated from that location to the Project Site, is \$0. The value for Ohio personal property tax purposes of the personal property of the Company, including, but not limited to, machinery, equipment, furniture, and fixtures, at the Project Site prior to the execution of this Agreement is \$0. The average value for Ohio personal property tax purposes of the inventory of the Company held at another location in Ohio prior to the execution of this Agreement and to be relocated from that location to the Project Site is \$0. The average value for Ohio personal property tax purposes of the inventory of the Company at the Project Site prior to the execution of this Agreement is \$0.

**3. Project Schedule.** The scheduled estimated starting month for the Project investments to made in building, machinery, equipment, furniture, fixtures and/or inventory is approximately 2021; and the scheduled estimated completion month for such investments is no later than approximately December 2024. Unless this Agreement is amended to provide otherwise, for purposes of this Agreement, the Project shall be considered complete in the month (the “Completion Month”) that is the earliest of (i) December 2027, (ii) twelve (12) months after the completion of a Building that increases the total footprint area (measured by determining the square foot area of the ground floor of each Building on the Project Site; hereinafter, the “Total Footprint Area”) to greater than or equal to 700,000 square feet, or (iii) twelve (12) months after the completion of a Building that increases the Total Footprint Area to more than 90% of the maximum Total Footprint Area, as that maximum Total Footprint Area is set forth in applicable zoning regulations. The estimates provided in this Section are good faith estimates provided pursuant to R.C. Section 3735.671(B) and shall not be construed in a manner that would limit the amount or term of the tax exemptions provided in this Agreement, other than as those tax exemptions are limited in Section 6 of this Agreement.

**4. Employee Positions.** The Owners shall use their good faith and commercially reasonable efforts to cause and/or facilitate the creation at the Project Site of, cumulatively, (i) approximately 250 to 350 full-time permanent employee positions with a total annual payroll of approximately \$13,000,000 to \$21,000,000, (ii) 0 full-time temporary employee positions, (iii) 0 part-time permanent employee positions and (iv) 0 part-time temporary employee positions. Hiring of such employees is estimated to commence in approximately 2023 and to continue incrementally over the succeeding three to five years, with approximately 50 to 100 employees, cumulatively, to be added each year. Currently, the Owners have no employees at the Project Site. The approximate number of employee positions of the Company in Ohio at locations other than the Project Site as of the date of execution of this Agreement is 0 full-time permanent employee positions, 0 part-time permanent employee positions, 0 full-time temporary employee positions, and 0 part-time temporary employee positions. The estimates provided in this Section 4 are good faith estimates

provided pursuant to R.C. Section 3735.671(B) and shall not be construed in a manner that would limit the amount or term of the tax exemptions provided in this Agreement. The parties recognize that the employment and payroll estimates associated with the Project may increase or decrease. The parties also recognize that it is anticipated that all employees at the Project Site will be hired by Owners other than the Company, or by lessees of Owners.

**5. Provision of Information.** Each Owner shall provide to the proper tax incentive review council (the “Council”) any information reasonably required by the Council to evaluate the compliance of such Owner with the Agreement, including returns or annual reports of such Owner filed pursuant to R.C. Section 5711.02 if requested by the Council.

**6. Real Property Tax Exemption.** The City hereby grants a fifteen (15) year, 100% real property tax exemption pursuant to R.C. Section 3735.67 for the assessed value of each Building constructed at the Project Site, including, but not limited to, expansions of existing Buildings that increase the square footage of such Buildings. For each separately identifiable real property improvement, the exemption commences the first year such real property improvement would first be taxable were that property not hereby exempted from taxation. Unless subsequently extended by the City, no exemption shall commence after the earlier of (i) the tax year after the Completion Month, or (ii) tax year 2041 (i.e., tax lien date January 1, 2041). Unless subsequently extended by the City, no exemption shall extend beyond tax year 2055 (i.e., tax lien date January 1, 2055). Although exemption under this Agreement for any separately identifiable real property improvement lasts for only fifteen years at most, the real property exemption period for the Project as a whole may last more than fifteen years. The exemptions set forth in this Section shall apply irrespective of whether the real property is owned by an Owner, or, in accordance with Section 17 of this Agreement, Section 21 of this Agreement, or both Sections 17 and 21 of this Agreement, by another entity or other entities.

**7. Application for Exemption.** The Owners acknowledge that the tax exemption with respect to each real property improvement is subject to the filing of a real property tax exemption application with the Housing Officer designated by the City for the CRA, following the completion of construction of that real property improvement. The City agrees that (i) upon receipt of the real property tax exemption application, the Housing Officer shall verify and investigate the facts and circumstances necessary to determine whether the real property improvement is eligible for a tax exemption pursuant to this Agreement; and (ii) if the Housing Officer determines that the real property improvement is eligible for a tax exemption, the Housing Officer shall certify the tax exemption to the Licking County Auditor.

**8. Waiver of Other Real Property Tax Exemptions.** The Company, for itself and for any other Owner, hereby covenants that for the term of the exemptions set forth in City Ordinance No. \_\_\_\_\_, passed \_\_\_\_\_, 2021 (the “TIF Ordinance”), it waives the right to any other exemption from real property taxes for the Project Site, other than the exemptions provided by this CRA Agreement and the TIF Ordinance.

**9. Payment of Non-Exempt Taxes.** Each Owner shall pay such real property taxes as are not exempted under this Agreement or otherwise exempted and are charged against such Owner’s property and shall file all tax reports and returns as required by law in connection

therewith. If an Owner fails to pay such taxes or file such returns and reports, and such failure is not corrected within thirty days of written notice thereof to such Owner, all exemptions from taxation granted under this Agreement with respect to property of such Owner are rescinded beginning with the year for which such unpaid taxes are charged or such unfiled reports or returns are required to be filed and thereafter; provided, however, to the extent permitted by law, the City may elect to reinstate such exemptions under terms acceptable to the City. Any such rescission, as provided in this Section, shall have no effect on exemptions from taxation granted under this Agreement with respect to property of Owners other than such defaulting Owner(s).

**10. Cooperation of the City.** The City shall perform such acts as are reasonably necessary or appropriate to approve, effect, claim, reserve, preserve and maintain the exemptions from taxation granted under this Agreement including, without limitation, joining in the execution of all documentation and providing any necessary certificates required in connection with such exemptions. The City shall give its fullest cooperation in the development of the Project, including, but not limited to: (i) the review, processing and approval of all building or other permits, and (ii) all other activities related to the Project.

**11. Revocation of CRA.** If for any reason the City revokes or purports to revoke the designation of the CRA, entitlements granted under this Agreement shall continue for the number of years specified in this Agreement, unless an Owner materially fails to fulfill its obligations under this Agreement and such failure is not corrected within thirty days of written notice thereof to such Owner, and consequently, the City terminates or modifies the exemptions from taxation granted in this Agreement with respect to property of such Owner from the date of the material failure and elects not to reinstate such exemptions. Any such termination or modification, as provided in this Section, shall have no effect on exemptions from taxation granted in this Agreement with respect to property of Owners other than such defaulting Owner(s).

**12. Certification as to No Delinquent Taxes.** The Company hereby certifies that at the time this Agreement is executed, (i) it does not owe any delinquent real or tangible personal property taxes to any taxing authority of the State of Ohio and does not owe delinquent taxes for which it is liable under Chapter 5733, 5735, 5739, 5741, 5743, 5747, or 5753 of the Revised Code, or, if such delinquent taxes are owed, the Company currently is paying the delinquent taxes pursuant to an undertaking enforceable by the State of Ohio or an agent or instrumentality thereof, (ii) it has not filed a petition in bankruptcy under 11 U.S.C.A. 101, et seq., and (iii) no such petition has been filed against the Company. For the purposes of this certification, delinquent taxes are taxes that remain unpaid on the latest day prescribed for payment without penalty under the chapter of the Revised Code governing payment of those taxes.

**13. Termination or Modification Upon Default.** If an Owner materially fails to fulfill its obligations under this Agreement, other than with respect to the number of employee positions estimated to be created or retained under this Agreement and with respect to the total investment associated with the Project, and such failure is not corrected within thirty days of written notice thereof to such Owner, or if the City determines that the certification as to delinquent taxes required by this Agreement is fraudulent, the City may terminate or modify the exemptions from taxation granted under the Agreement with respect to property of the Owner which is in such default or has made such fraudulent certification, from the date of the material failure. Any such termination or

modification, as provided in this Section, shall have no effect on exemptions from taxation granted under this Agreement with respect to property of Owners other than such defaulting Owner(s). In addition to the written notice provided to the defaulting Owner, the City also shall provide notice of any material failure pursuant to this Section 13 to the lender or lenders designated in writing by the Company to the City. The City hereby agrees that any cure performed by such lender or lenders within the time period provided in this Section 13 shall be treated as if the cure was performed by the defaulting Owner.

**14. Approval by the City.** The Owners and the City acknowledge that this Agreement must be approved by formal actions of the legislative authority of the City as a condition for this Agreement to take effect. This Agreement takes effect upon such approval. Because this Agreement was approved by Ordinance No. \_\_\_\_\_ on \_\_\_\_\_, 2021, this Agreement shall be effective immediately upon its execution.

**15. Non-Discriminatory Hiring.** By executing this Agreement, the Owners are committing to following non-discriminating hiring practices, acknowledging that no individual may be denied employment solely on the basis of race, religion, sex, disability, color, national origin, or ancestry.

**16. Revocation of Exemptions.** Exemptions from taxation granted under this Agreement shall be revoked with respect to an Owner if it is determined that such violating Owner, any successor enterprise to such violating Owner, or any related member of such violating Owner (as those terms are defined in division (E) of Section 3735.671 of the Ohio Revised Code) has violated the prohibition against entering into the Agreement under Division (E) of Section 3735.671 or Section 5709.62 or 5709.63 of the Ohio Revised Code prior to the time prescribed by that division or either of those sections. Any such revocation, as provided in this Section, shall have no effect on exemptions from taxation granted under this Agreement with respect to property of Owners other than such violating Owner(s).

**17. Transfer and/or Assignment; Release from Liability.**

**A.** Except as provided below, this Agreement and the benefits and obligations thereof are not transferable or assignable without the express, written approval of the City, which approval shall not be unreasonably withheld or delayed. The City hereby approves transfer and/or assignment of this Agreement, in whole or in part, and the benefits and obligations hereof to (i) any entity related to, affiliated with or under common control with the Company (including but not limited to subsidiaries and/or affiliates); (ii) a lender in connection with the Company obtaining financing related to the Project; and/or (iii) successor entities to the Company as a result of a consolidation, reorganization, acquisition or merger. For assignments that do not fall within (i) – (iii) above, the Company shall provide the City with a written request for the assignment, and the City shall use its best efforts to provide approval for any such assignments that is effective no later than 30 days after the receipt of notice from the Company.

**B.** As a condition for to the right to receive tax exemptions as set forth in this Agreement, each assignee shall execute and deliver to the City an Assignment and Assumption Agreement (the “Assumption Agreement”) in substantially one of the forms attached hereto as

Exhibit B.1 and Exhibit B.2, wherein such assignee (i) assumes all obligations of the Company under this Agreement with respect to the applicable portion of the Project Site, and (ii) certifies to the validity, as to the assignee, of the representations, warranties and covenants contained herein and in the Assumption Agreement. Upon the receipt by the City of such Assumption Agreement, as to the applicable portion of the Project Site, the assignee shall have all entitlements and rights to tax exemptions, and obligations, as an “Owner” under this Agreement, in the same manner and with like effect as if the assignee had been the original Owner and a signatory to this Agreement. The City agrees to execute each such Assumption Agreement upon approval (if required) and to deliver an original thereof to the assignee.

**C.** As used herein, “Prior Owner” means, as of any point in time, any person or entity which shall have been, but is not then, the person or entity in control of the Project Site, or any portion thereof, as owner. Upon execution and approval (if required) of the Assumption Agreement, each Prior Owner will be released from liability for any defaults occurring after the date of the change in ownership or control by which that Prior Owner became a Prior Owner, as such change is reflected in the Assumption Agreement.

**18. Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original, but all of which together shall constitute one and the same Agreement.

**19. Severability; Construction; Headings.** If any provision of this Agreement or the application of any such provision to any such person or any circumstance shall be determined to be invalid or unenforceable, then such determination shall not affect any other provision of this Agreement or the application of such provision to any other person or circumstance, all of which other provisions shall remain in full force and effect. If any provision of this Agreement is capable of two constructions one of which would render the provision valid, then such provision shall have the meaning which renders it valid. The captions and headings in this Agreement are for convenience only and in no way define, limit, prescribe or modify the meaning, scope or intent of any provisions hereof.

**20. Validity.** The Owners and the City covenant and agree that they are prohibited from challenging the validity of this Agreement or the CRA. In that regard, the Owners and the City waive any defects in any proceedings related to the CRA or this Agreement. If the validity of the CRA or this Agreement is challenged by any entity or individual, whether private or public, the Owners and the City shall advocate diligently and in good faith in support of the validity of the CRA and this Agreement.

**21. Modifications.** If, notwithstanding Section 17 of this Agreement, it becomes necessary to modify the terms of this Agreement to reflect the exact legal and financing structure used by the Owners in developing, equipping and operating the Project, the Owners shall request an amendment to this Agreement, which the City shall not unreasonably reject or delay.

**22. Notices.** Any notices, statements, acknowledgements, consents, approvals, certificates or requests required to be given on behalf of any party to this Agreement shall be made in writing addressed as follows and sent by (i) registered or certified mail, return receipt requested,

and shall be deemed delivered when the return receipt is signed, refused or unclaimed, or (ii) by nationally recognized overnight delivery courier service, and shall be deemed delivered the next business day after acceptance by the courier service with instructions for next-business-day delivery:

## **SCHOOL DISTRICT DONATION AGREEMENT**

This School District Donation Agreement (this "Agreement") is made and entered into effective the last date signed below (the "Effective Date") by and between TPA Group, LLC, a Georgia limited liability company, its affiliates, successors, nominees and/or assigns (collectively, the "Company"); and the Licking Heights Local School District, a political subdivision of the State of Ohio through its Board of Education (the "School District").

### **WITNESSETH:**

WHEREAS, the Company desires to construct new buildings with, cumulatively, approximately 1,000,000 – 1,500,000 square feet of industrial facility space, to be used primarily for distribution/logistics, manufacturing, e-commerce and/or professional office space, together with related site improvements (the "Project"), provided that the appropriate development incentives are available to support the economic viability of the Project; and

WHEREAS, in connection with the construction of the Project, pursuant to Ohio Revised Code ("R.C.") Section 3735.671, the City of Pataskala, Ohio (the "City") has entered into or will enter into a community reinvestment area agreement with the Company (the "CRA Agreement"), under which the City is providing a fifteen (15) year, 100% exemption for the assessed valuation of new structures at the Project Site (as defined in the CRA Agreement) and a ten (10) year, 100% exemption for remodeling of new structures at the Project Site; and

WHEREAS, in connection with the construction of the Project, pursuant to R.C. Sections 5709.40, 5709.42 and 5709.43, the City has declared 100% of the increase in assessed value to certain parcels of real property located within the City, in which the Project Site is situated, to be a public purpose and exempt from real property taxation for a period of 30 years (as amended, the "TIF Ordinance"), and has required the owners of that real property to pay service payments in lieu of taxes in the same amount and in the same manner as would have been due and payable were it not for the exemption granted by the TIF Ordinance provided, further, that the School District shall receive from such service payments the amount it would have received were such improvements not exempt from real property taxation pursuant to R.C. Section 5709.40(D)(1); and

WHEREAS, pursuant to the Memorandum of Understanding dated November 21, 2019 by and between the City and the School District (the "MOU"), the School District has agreed to approve certain exemptions that comply with the terms stated in the MOU; and

WHEREAS, in connection with the School District's approval of the CRA Agreement, and consistent with the MOU, the Company desires to provide to the School District certain compensation pursuant to R.C. Section 5709.82 to account for, in part, the School District's foregone tax revenue from the exemptions provided pursuant to the CRA Agreement;

NOW, THEREFORE, in consideration of the premises and covenants contained herein and the benefit to be derived by the parties from the execution hereof, the receipt and sufficiency of which are hereby acknowledged, the parties herein agree as follows:

Section 1. School District Payments and School District Legal Fee Payments. As consideration for the School District's approval of the CRA Agreement, the Company shall provide and account for additional payments to the School District, including specifically:

- (i) semi-annual payments collectively equal to twelve percent (12%) of the property tax revenue to which the School District would have been entitled in the absence of the exemption provided in the CRA Agreement (the "School District Payments"); and
- (ii) an amount not to exceed \$10,000 to offset legal fees incurred by the School District in connection with the negotiation of the CRA, this Agreement and other related documents (the "School District Legal Fee Payment").

The School District Payments shall be due and payable to the School District on a semi-annual basis no later than thirty (30) days after the due dates for the first and second half real property taxes, respectively, beginning in the first tax year for which the Company receives a real property tax exemption pursuant to the CRA Agreement and continuing for so long as the applicable exemption remains in effect. Each School District Payment shall be delivered to the notice address provided in Section 5 of this Agreement or such other address as the School District may designate in writing from time to time.

The School District Legal Fee Payment shall be due on the Effective Date and paid by the Company to the School District no later than 30 days thereafter by means of delivery to the notice address provided in Section 5 of this Agreement or such other address as the School District may designate in writing from time to time.

Section 2. Land Valuation. The Company and the School District acknowledge and agree that neither (i) the value of the land associated with the Project Site as of the Effective Date (the "Existing Land Value"), nor (ii) any increases in the land value associated with the Project Site (the "Increased Land Value," and collectively with the Existing Land Value, the "Land Value") are eligible to be exempted pursuant to the CRA Agreement. In the event that the School District exercises its right to challenge the Land Value pursuant to R.C. Section 5715.19 for any triennial period during which an exemption is claimed pursuant to the CRA Agreement, and any such challenge seeks a Land Value equal to a recent arm's length sale price of the land, the Company shall cooperate with the School District in connection with any such challenges, including, but not limited to, filing a stipulation of value with the Licking County Board of Revision and/or the Ohio Board of Tax Appeals. Nothing herein shall prevent the Company or the School District from initiating or participating in challenges to (i) the Land Value for reasons other than a recent arm's length sale, or (ii) the total value of the Project Site, as allowable by law.

Section 3. Assignment. The parties recognize that the exact legal and financing structure used by the Company in developing, equipping and operating the Project may include additional legal entities and may evolve prior to and during the development of the Project. Accordingly, this Agreement and the benefits and obligations hereof may be assigned in whole or in part by the Company to any of its affiliates or to any future owners or tenants, and the School District hereby approves of any such assignments of this Agreement; provided, however, that (i) the School District shall receive written notice of all such assignments no later than 30 days prior

to the effective date of each assignment, and (ii) any assignee must expressly agree to be bound by the terms and conditions of this Agreement. Any purported assignment that does not meet the requirements of (i) and (ii) above shall not be effective.

Section 4. R.C. Section 5709.82. Pursuant to R.C. 5709.82(B)(1), the School District expressly consents to the amounts to be received by it under the terms of this Agreement, irrespective of the relationship of the amounts to be received under this Agreement to the tax revenue foregone by it under the CRA Agreement; provided, however that both the amounts to be received by the School District pursuant to this Agreement and amounts to be received by the School District from the City pursuant to a separate agreement are conditions for the School District's approval of the CRA Agreement under R.C. Section 5709.82.

Section 5. Notices. All payments, certificates and notices which are required to or may be given pursuant to the provisions of this Agreement shall be sent by United States ordinary mail, postage prepaid, and shall be deemed to have been given or delivered when so mailed to the following addresses:

If to the Company:	Jeb Brees, Principal TPA Group, LLC 1776 Peachtree St., NW, Suite 100 Atlanta, GA 30309

Section 6. Severability of Provisions. The invalidity of any provision of this Agreement shall not affect the other provisions of this Agreement, and this Agreement shall be construed in all respects as if any invalid portions were omitted.

Section 7. Counterparts. This Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any party to this Agreement may execute this Agreement by signing any such counterpart.

[Balance of Page Intentionally Left Blank]

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as of the Effective Date.
