

CITY OF PATASKALA

RESOLUTION 2022-032

Passed March 21, 2022

A RESOLUTION AUTHORIZING AND DIRECTING THE CITY ADMINISTRATOR TO EXECUTE AN OPERATING LEASE AGREEMENT WITH THE GORDON FLESCH COMPANY, INC. FOR THE ACQUISITION OF A MULTIFUNCTION COPIER AND ASSOCIATED MAINTENANCE AGREEMENT FOR THE FINANCE DEPARTMENT

WHEREAS, the City of Pataskala has several office copiers currently being used by various departments; and

WHEREAS, the current copiers were obtained through the State of Ohio Term Schedule and have 4-year operating leases; and

WHEREAS, the copier lease for the City's Finance Department will terminate on June 1, 2022, which will require the acquisition and lease of a replacement multifunction copier/scanner/fax machine to support the department's operations; and

WHEREAS, the City has leased several copiers from the Gordon Flesch Company, Inc. ("the company"), and as the City is satisfied with the quality of the equipment and the level of customer service provided by the company, it desires to contract with Gordon Flesch Company as the preferred vendor for copier services.

NOW THEREFORE BE IT RESOLVED BY THE COUNCIL OF THE CITY OF PATASKALA, COUNTY OF LICKING, STATE OF OHIO, A MAJORITY OF MEMBERS PRESENT CONCURRING THAT:

Section 1: The City Administrator is hereby authorized and directed to execute an operating lease with the Gordon Flesch Company, Inc. ("the Company") for the acquisition of an office copier and ancillary equipment in accordance with the terms of the Proposal dated February 25, 2022, which is attached hereto as **Exhibit A** and incorporated herein by reference.

Section 2: The City Administrator is hereby authorized and directed to execute the related maintenance agreement for the equipment described in Section 1.

Section 3: It is hereby found and determined that all formal actions of this Council concerning and relating to the passage of this Resolution were adopted in an open meeting of Council, and that all deliberations of the Council and any of the decision making bodies of the City of Pataskala which resulted in such formal actions were in meetings open to the public in compliance with all legal requirements of the State of Ohio.

Section 4: This Resolution shall take effect at the earliest time allowed by the Charter of the City of Pataskala.

Letter of Introduction

We appreciate your interest in partnering with the Gordon Flesch Company (GFC). It is our passion to empower your people through technology to meet and exceed your goals and objectives, while providing you with the highest level of customer service.

GFC will assess your current technology objectives and develop strategies to decrease costs and increase efficiencies. This approach emphasizes the importance of aligning your technology investments with your business goals. Working in a systematic, phased approach, we will close the gap between where you are today to where you would like to be. This process can also include right-sizing your fleet, removing inefficient devices, current invoice/contract analysis, technology enhancements, process optimization, and total cost of ownership considerations.

We are an independent, privately-owned technology solutions provider **with over 65 years of experience**. We are not limited to any one manufacturer nor restricted to that manufacturer's solution offerings. Our independence allows us to develop solutions that are customized to your needs. We look forward to building upon this partnership and implementing reliable solutions for your company, ensuring the success of our solutions with our unmatched service and support.

Please do not hesitate to contact me if you have any questions or desire any additional information.

Sincerely,

Gregory L. Houser

GFC's Managed Print Services program is all about integrating the right combination of hardware and software to help you save money, time and resources. Our Managed Print associates help businesses like yours improve

print workflow efficiencies, reduce waste for a greener office and save up to 50% on printing costs through proactive management of your fleet. Once the fleet strategy is deployed, we work with you to evaluate areas that can benefit from equipment consolidation, as well as solutions to improve document workflow. With Strategic Business Reviews, GFC will show areas where improvements can be made by moving, consolidating, swapping, replacing or implementing a new concept. Building on Microsoft's Power BI analytics platform, **GFC is the only office technology company that can provide you with live, data-driven analytics.**

Elevity - Managed IT Services & Projects

Elevity is one of the largest and most capable managed IT providers in the Midwest. Our team of technology experts helps our clients reach a truly elevated level of technology strategy, security, solutions and support. Our experienced consultants will provide risk analysis, cutting-edge tools and expertise to guard your business against the threat of a cyberattack. When you partner with Elevity you work with a dedicated Virtual CIO (vCIO) who serves as your trusted advisor to strategically address your technology challenges. Whether you are looking to totally outsource your technology management, or need assistance completing a large IT initiative – Elevity has the resources and support you need to elevate your business.

Managed Content Services

The GFC Managed Content Services consultants will work with your business to learn how your processes work, identify pain points and find ways to automate, streamline and improve them so that you can focus on what you do best. Our business process experts identify pain points in your workflows, automate processes and help you make more informed business decisions.

Ongoing Service and Support

GFC Service

The GFC name is synonymous with customer service. We do not have a “fix it and run” mentality. Our service professionals have one individual and one team goal. The individual goal is “First Call Effectiveness” which rewards them for their overall thoroughness and technical skill. The team goal is “Response Time”. Here the incentive is for the entire service team to work together to minimize our overall response time to all service calls, keeping you going and minimizing down-times. To that end, our service professionals focus beyond just fixing the immediate problem. They also search for other potential problems (i.e. worn parts) during the same service call and take steps to prevent possible machine failure from occurring down the road.

GFC Support

Since 1997, the Technology and Logistics Center (TLC) has been a key component of our customer service offering. Based out of our Wisconsin facility. The TLC is a modern laboratory equipped with a representative

array of our hardware and software solutions. The center is staffed with trained Systems Engineers each specialized in computer operating systems, graphics and color correction, variable data processing and enterprise content management solutions. Their combined expertise covers our complete product and solution suite; ensuring you will receive qualified dedicated support when you need it. **With over 18,000 annual calls to the TLC, 90% are answered live by a technician and resolved during that first call.**

GFC Website

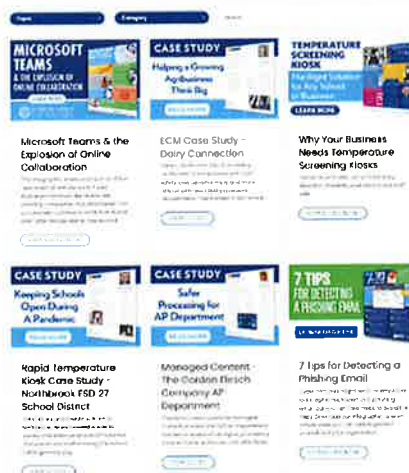

The GFC website allows you to research new products and technology trends, read the latest blog posts and discover new solutions that can increase productivity and functionality through our GFC Resource Center.

Customers can also pay online and access recycling labels for ink and toner cartridges.

Check the events page for the upcoming Tech Summits, Webinars and Lunch & Learns in your area.
