

Letter of Interest for City Council Vacancy

Saturday July 23, 2022

deliver to: khoskin@ci.pataskala.oh.us

Hello Council Clerk Hoskinson,

I am interested in applying for the Ward 3 City Council vacancy. I have been a resident of Pataskala since October 28, 2019. We bought a new build Pulte home in Hazelwood and closed on it October 29, 2019.

I am retired and have plenty of time available. I have served on Pickerington City Council for 5 different terms as detailed in my resume. I was appointed by 2 different Mayors and elected 3 times to 4 year terms. The time span was from when Pickerington was a village in the 80's until moving to Pataskala in 2019 and resigning from Council.

I would like to request an interview if that is the process and look forward to the potential involvement if selected.

Thank you for your assistance.
