To Mayor Compton, City Council, and City Administrator Hickin:

With this letter, I confirm my interest in continuing to serve on the Planning and Zoning Commission and apply for a new 4-year term beginning January 1, 2023.

### **Background and Qualifications**

**Current Position:** Chairman, Planning and Zoning Commission

**Length of Service:** 27 years when current term ends; member since the Commission's creation in February, 1996, following the Lima Township - Pataskala merger. Elected as chairman by my peers for each of those 27 years.

### **Accomplishments:**

During my service, I have led the Commission through many applicant-driven zoning changes and development plans, plus variance and conditional use hearings in the years before the Board of Zoning Appeals was created.

**Other City Service:** I have also had other City service, not directly related to Planning and Zoning, during this period.

- Elected member of the Charter Commission that first drafted the city charter
- Appointed member of the Mayor-Council Development Committee
- Helped draft the initial Wards map after the Ohio Secretary of State designated Pataskala as a city, and served as a volunteer consultant to the Wards and Boundaries Commission in 2001, 2011, and 2021
- Created the initial City website and managed it until City staff was able to assume responsibility for the site

In summary, I believe I have made many contributions to the City during my time on the Planning and Zoning Commission. I seek appointment to another 4-year term to continue doing so.

Thank you for your consideration.
