***WHEREAS***, the real property shown in Exhibit A attached hereto and incorporated herein by reference (the “Property”) is located in the State of Ohio (the “State”), County of Licking (the “County”), and the City, with each parcel of the Property referred to herein as a “Parcel” (whether as presently appearing on County tax duplicates or as subdivided or combined and appearing on future tax duplicates); and

***WHEREAS***, the current and future owners of the Property (each an “Owner” and collectively the “Owners”) wish to develop the Property by constructing and renovating residential facilities together with related site improvements thereon and otherwise improving the Property (the

“Project”), provided that the appropriate development incentives are available to support the Project; and

**WHEREAS**, Council for the City of Pataskala has determined it is necessary and appropriate and in the best interests of the City to provide for service payments in lieu of real property taxes (“Service Payments,” as further defined below) with respect to the Property pursuant to R.C. 5709.42; and

**WHEREAS**, the City wants to facilitate the construction of the public infrastructure improvements described in Exhibit B attached hereto and incorporated herein by reference (the “Public Infrastructure Improvements”); and

**WHEREAS**, Council for the City of Pataskala determined that payments in lieu of taxes shall be paid to the School District pursuant to R.C. 5709.42 in the amount of the real property taxes that the School District would have received if such increase in the assessed value of the Property had not been exempted from real property taxes pursuant to this Ordinance;

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY OF PATASKALA, COUNTY OF LICKING, STATE OF OHIO, A MAJORITY OF ALL MEMBERS ELECTED OR APPOINTED THERETO CONCURRING, THAT:**

Section 1: The Public Infrastructure Improvements described in Exhibit B are intended to be made, or caused to be made, by the City of Pataskala and are hereby designated as public infrastructure improvements that, once made, will directly benefit the Property.

Section 2: One hundred percent (100%) of the increase in the assessed value of each Parcel within the Property after the effective date of this Ordinance (each of which increase in assessed value is an “Improvement” as defined in R.C. 5709.40) shall be a public purpose and shall be exempt from real property taxation commencing for each Parcel the first day of the tax year in which there is an Improvement with respect to the Parcel (as it may be subdivided or combined) of at least \$35,000 (i.e., an increase in true value of \$100,000) and ending for each Parcel on the earlier of (a) thirty (30) years after such commencement, or (b) the date on which the City of Pataskala can no longer require service payments in lieu of taxes, all in accordance with the requirements of R.C. 5709.40, R.C. 5709.42, and R.C. 5709.43.

Section 3: As provided in R.C. 5709.42, the Owner of any Parcel with an Improvement is required hereby to make annual payments in lieu of taxes to the Licking County Treasurer (the “County Treasurer”) on or before the final dates for payment of real property taxes. Each such payment (including interest and penalties) shall be charged and collected in the same manner and in the same amount as the real property taxes that would have been charged and payable against the Improvement if it were not exempt from taxation (with the payments in lieu of tax, including any penalties and interest, being the “Service Payments”). The County Treasurer shall remit all Service Payments to the City of Pataskala for deposit in the Fannin and Deagle Tax Increment Finance

Municipal Fund (the “Fund”) established in Section 4 hereof, except for amounts paid directly to the School District as provided in Section 5 hereof. Council for the City of Pataskala hereby authorizes the City Administrator or his designee to provide such information and certifications and execute and deliver or accept delivery of such instruments as are necessary and incidental to collect those Service Payments and to make such arrangements as are necessary and proper for payment of the Service Payments. Any late payments shall be subject to penalty and bear interest at the then current rate established under R.C. 323.121 and R.C. 5703.47, as may be amended from time to time, or any successor provisions thereto, as the same may be amended from time to time. The Service Payments shall be allocated and deposited in accordance with Sections 4 and 5 of this Ordinance.

Section 4: Council for the City of Pataskala hereby establishes, pursuant to and in accordance with the provisions of R.C. 5709.43, the Fund, into which shall be deposited all of the Service Payments distributed to the City of Pataskala with respect to the Improvements to Parcels of the Property by or on behalf of the County Treasurer, as provided in R.C. 5709.42, except for amounts paid directly to the School District as provided in Section 5 hereof, and hereby appropriates all of the moneys deposited in the Fund from time to time to pay any costs associated with the Public Infrastructure Improvements approved by the City of Pataskala, including, but not limited to, the “costs of permanent improvements” described in R.C. 133.15(B).

The Fund shall remain in existence so long as Service Payments are collected and used for the aforesaid purposes, subject to the limits set forth in Section 2 hereof, after which said Fund shall be dissolved in accordance with R.C. 5709.43(D). Upon dissolution, any incidental surplus money remaining in the Fund shall be transferred to the City of Pataskala General Fund as provided in R.C. 5709.43(D).

Section 5: The County Treasurer shall make semi-annual payments to the School District, solely from the Service Payments, collectively in the amount equal to the property tax payments that the School District would otherwise have received from the Improvements had the Improvements not been exempted pursuant to this Ordinance. The County Treasurer shall remit all remaining Service Payments to the City of Pataskala for deposit in the Fund established in Section 4 hereof.

Section 6: Council for the City of Pataskala hereby authorizes the City Administrator or his designee to take such actions as are necessary and/or appropriate to implement the transactions contemplated by this Ordinance, including the filing of one or more applications for exemption and any related forms in accordance with R.C. 5709.911.

Section 7: Council for the City of Pataskala hereby designates the Licking County tax incentive review council (the “TIRC”) established as the TIRC that shall annually review the exemptions provided pursuant to this Ordinance as required by R.C. 5709.85.

Section 8: The City Administrator, or any other official, as appropriate, are authorized and directed to sign any other documents, instruments or certificates and to take such actions as are necessary or appropriate to consummate or implement the actions described herein or contemplated by this Ordinance.

Section 9: Pursuant to R.C. 5709.40(I), the City Administrator or his designee is hereby directed to deliver a copy of this Ordinance to the Director of the Ohio Department of Development (“ODOD”)

within fifteen (15) days after its passage. On or before March 31 of each year that the exemption set forth in Section 2 hereof remains in effect, the City Administrator or his/her designee shall prepare and submit to the Director of ODOD the status report required under R.C. Section 5709.40(I).
