Jack,

Please accept this email as notification that Mr. Schuster would like to table both project applications until the March meeting. This request to table is to provide more time to collect additional details (recording of the quitclaim deed) and update the replat for the transfer of 0.01 acre parcel from the County, and clarification on the 10 foot easement between lots 11-13 and 54.

Please let me know if you have any questions or need any additional information.

**Respectfully,  
R. Ryan Badger**
