713.01 PURPOSE AND FINDINGS.

(a) Purpose. That the purpose of this chapter is to establish reasonable and uniform regulations to minimize and control the negative effects of amusement arcades within the City in order to promote the health, safety, and welfare of the citizens of the City. It is the specific finding that games of skill operated electronically, may easily be altered to be illegal games of chance. Further, the City has a duty to its citizens to require businesses open to the public to maintain ingress and egress, to maintain adequate security where a considerable volume of cash is transacted, and otherwise operate within the bounds of the law.
