Dear Mayor Compton and Pataskala City Council Members,

I am writing to apply for the Pataskala City Council Ward 3 position vacated by Mike Fox. I am very interested in serving the City of Pataskala in this position and believe my employment, community involvement, and educational background would be a benefit to the city.

I have lived in the city of Pataskala for over 2 years with my wife Teresa, and children Alycia and Ryder. In all of the places we have lived, Pataskala has been the best place to live and raise a family, that is why I want to get involved and help in the community.

I am currently working for The Ohio State University and have a 42 acre family owned livestock ranch. I have a Bachelors of Science in Agriculture and Life Sciences. I have received a letter of appreciation and recognition for my 10 years of service to The Ohio State University. I am also a member of the Ohio Quarter Horse Association, National Barrel Horse Association, Ohio 4-H State Committee and Co-Advisor to the Ohio State Horseman's Association. I was an 11 year 4-H member and FFA member. We are also supporters of Pataskala Cub Scouts Pack 22.

Enclosed is a copy of my resume for more details regarding my qualifications for the position of Ward 3 City Council member. I would be honored to serve as a City Council Member.

Thank you for your consideration and I look forward to hearing from you in the near future.

Respectfully,

Daniel R. Rhodeback
