

To: The Honorable Mayor Mike Compton and Pataskala City Council

Subject; Planning and Zoning

I have had only three addresses in my life: 90 South Vine St., 105-A Township Rd. and 270 Blacks Rd., all in the great city of Pataskala, Ohio. As a life time resident, of the city I care deeply about the planning of this community and what it will look like in the years to come. It is very important to build that foundation now.

I grew up as a member of the Pataskala United Methodist Church. In 1993 I became a member of the Jersey Baptist Church. I sing in two choirs at church.

In September of 1979, I was hired as a Firefighter EMT at what is now the West Licking Joint Fire District. I worked there until I retired on February 28, 2011. The last few years I was there, I worked as a fire inspector. I inspected buildings for building and fire code violations. I also taught fire education classes to adults and children. Currently, I am a member of the West Licking Fire Association, an organization which sponsors and runs the Pataskala Street Fair each year.

I am interested in serving on The Planning and Zoning Commission and or Zoning Board of Appeals.

I am unable to meet with you because on Friday February 3, 2017, I will have a right knee replacement. If you have any questions for me, please feel free to call me.

Sincerely,

Bruce A. Ashcraft
