

City of Pataskala Utility Department
Nathan W. Coey, Utility Director

➤ **Utility Department Updates**

- Project Update
 - The Creek Road Water Main Project drawings have been approved by the OEPA. Coordination is underway for this project to be funded and installed by a developer.

- Treatment Facilities
 - The electric breaker and starter for RAS#1 required replacement due to failure.
 - Efforts are underway to install a backup / spare High Service Pump at WTP1 to provide additional flexibility and redundancy.

- Distribution and Collection System
 - An underground boring contractor caused a water main break near the Southeast Tower. Quick response by the staff minimized impact to the system.
 - A water main break was encountered at the intersection of Blacks Road and Poff on a cast iron main.

- Billing Department
 - Efforts are underway to update the active tapper and installer contractor list.
 - Maintenance and updates are complete with the meter reading collection units.
