

City of Pataskala Utility Department
Nathan W. Coey, Utility Director

➤ **Utility Department Updates**

- **Project Update**
 - WRF Press Project. The new press has been ordered. The rental press is in service at this time. The OEPA PTI has been submitted to the OEPA.
 - Booster Station Pump 2 is in the installation process at the time of this report.
 - Due to a vacancy, we scheduled interviews for an entry level Utility Field Technician.
 - Strand is under contract to update the hydraulic model system with the completion of the Creek Road main and all towers in service.

- **Treatment Facilities**
 - Removal of failed rotary press is underway. Construction efforts to prepare for the new belt filter press is underway.

- **Distribution and Collection System**
 - The emergency standby pump is installed at the Eastside Lift Station and ready for service.
 - Chris Sharrock has networked with a local school district to utilize required community service hours for graduation requirements. Students will meet service hours by painting fire hydrants with direction and guidance from Chris.

- **Billing Department**
 - The Billing Manager attended the Government Records Training provided by the State Auditor.
 - Ongoing efforts to update ACH records.
