

City of Pataskala
Alan W. Haines, P.E., Public Service Director
Public Services Report to Council

➤ **2016 Streets Program**

1. The Shelly Company has completed construction of this project ahead of schedule.
2. The Street Department will continue with planned ditch and berm work on Hollow Rd. and Cypress St./Klema Dr. until complete.
3. Budget
 - a. The project came in under budget, and final cost is anticipated to be available by the time of the meeting.

➤ **Mink Street Phase III Project (Mink and Broad)**

1. The House
 - a. Lien on property has been lifted.
 - i. The City is working to close on the original right-of-way take.
 - b. Purchase of property including house is currently being discussed with realtor and owner.
2. Budget
 - a. Review with City Administrator and Consulting Engineer has led to the realization of potential cost savings.
 - i. As this project has been on hold, and there are unknowns yet to be resolved, a projected budget has not yet been evaluated; projected budget will be reported after analysis.
3. Schedule
 - a. The City will be working with the contractor to expedite work, but the project has been, and will continue to be delayed until resolution of the house issue.

➤ **Main Street Project**

1. Electrical
 - a. Fair Service
 - i. Working with residents, an agreeable location for the fair service has been identified. Easements to facilitate the preferred location have been delivered.
 - b. Underground Power
 - i. There are resident concerns regarding the easements requested by AEP to install power underground on the west side of Main St.
 - ii. The City continues to work with AEP and residents to address these concerns.

2. Budget
 - a. The budget has been reviewed, and current projections indicate that the project will be finished under budget.
3. Schedule
 - a. The project is substantially complete (with the exception of electrical work that has been delayed beyond the control of the contractor).
 - b. Lane closures using flaggers may still occur intermittently to complete minor tasks.
4. ODOT
 - a. ODOT pre-con was Thursday, May 19.
 - i. ODOT and the contractor were made aware of the City's need to have Main Street paved before the street fair, and they will make efforts accordingly.
 - b. Curb ramp work has been completed in areas north of the tracks.
 - c. Full depth repairs are currently being completed along SR 310.
 - d. Schedule

➤ **Mink Street Phase IV Project**

1. R/W acquisition is in progress.
2. First status meeting was held June 1.
 - a. Acquisition process is tracking on schedule for June 30, 2017 certification.
3. Construction is scheduled for summer 2018.

➤ **Columbia Road Bridge Project**

1. Stage III plans have been submitted.
2. Acquisition process is scheduled to begin in fall 2016.
3. Construction is scheduled to begin in summer 2017.

➤ **Taylor Road Path Project**

1. Stage III plans have been submitted.
2. Construction is scheduled to begin in spring of 2018.

➤ **Public Service Department**

1. Roadway Maintenance
 - a. The City is actively engaged in pothole patching, dura-patching, berming, and crack sealing operations.
2. Storm water Management
 - a. The department continues to work with the community to identify areas of poor drainage and employ responsible solutions to mitigate them.
 - b. The department has been making efforts to restore drainage by conducting ditch cleaning and berm cutting operations.
 - c. Recently completed projects include:
 - i. Culvert replacement on Hollow Rd.
 - ii. New section of storm line and catch basin near 134 1st Street.
 - iii. New storm line near 193 S. Main Street.
 - iv. Storm line repairs @

1. 205 International Dr.
 2. 3601 Summit Rd.
 - d. In progress and scheduled projects include:
 - i. Drainage improvements near 14341 Cleveland Rd.
 - ii. Ditch cleaning near 135 Veasey Lane
 - iii. Ditch cleaning at 258 Woodbridge Pl.
 - iv. Storm line repair near 110 S. Main St.
 - v. Drainage improvements at Alward Rd. and Headley's Mill Rd.
3. Bridges
 - a. Bridge inspections are scheduled for late summer/early fall through the ODOT program.
 - b. This is the last year of the current ODOT program, but there is speculation that the program will be renewed.
4. Initiatives
 - a. Attempting to coordinate with the Railroad to address crossings and drainage within railroad right-of-way.
5. Miscellaneous
 - a. Right-of-ways
 - i. The second round of right-of-way mowing is complete, and the third round has begun.
 - ii. Spraying (around signs, guardrails, and hard to reach areas) will continue on an as needed basis.
 - iii. Tree Removal
 1. The department has been, and will continue to identify and remove dead and diseased trees within the right-of-way throughout the summer.
 - a. Dead trees have been or are scheduled to be removed:
 - i. On Patterson Rd.
 - ii. On Headley's Mill
 - iii. At Foundation Park
 - iv. On Courter Rd.
 - b. Mosquito spraying
 - i. Occurred the week of May 23rd.
 - ii. Licking County Health Dept. will monitor throughout the summer and recommend additional spraying as necessary.
