Jeff,

I don't believe the board will table it for five years. If that is your time frame, you will likely need to withdraw your application.

Thanks,

Scott

I hate to forfeit all the fees and studies that we have paid for. For instance will the ODOT study transfer with the sale of the property?

If we pursue this again in 5 years will we be paying for another fire department study?

Would we be paying another fee to restart this project?

Jeff

Jeff,

Do you want to table the application or withdraw it?

Thanks,

Scott
