

SETTLEMENT AGREEMENT

This Settlement Agreement (“Settlement Agreement”) is entered into as of the Effective Date, by and between Fannin Limited Partnership and James L. Deagle (“Fannin and Deagle”) on the Plaintiffs’ side and the City of Pataskala, Ohio (“City”) on the Defendant’s side. Fannin and Deagle and the City will be referred to collectively as the “Parties” and may be referred to individually as a “Party.”

WHEREAS, Fannin and Deagle are the fee simple owners of contiguous parcels of certain real property consisting of 52.057 acres owned by Fannin (Licking County Parcel Nos. 255-069072-00.000 and 255-069066-00.005) and 75.73 acres owned by Deagle (Licking County Parcel No. 255-067746-00.000) (“the Property”), and,

WHEREAS, the Parties entered into a pre-annexation Agreement (the “Contract”) on June 4, 2015, pursuant to the authorization of City Council Resolution 2015-035; and

WHEREAS, all three parcels were re-zoned to the R-15 District annexed to the City of Pataskala on October 5, 2015; and

WHEREAS, on May 29, 2018, Fannin and Deagle filed a Complaint in Licking County Common Pleas Court assigned case number 18 CV 551 (the “Lawsuit”) against the City for breach of contract, equitable relief, and monetary damages arising from the allegations set forth in the Complaint for the City’s failure to provide water and sewer service to the Property after annexation to the City; and

WHEREAS, the City denied all claims and causes of action asserted by Fannin and Deagle in the Lawsuit, and

WHEREAS, Fannin and Deagle claimed a right under the Contract to connect the Property to City public water and sanitary sewer services and the City claimed that it was legally prohibited from providing the services by pre-existing Water and Sewer contracts with the Southwest Licking Community Water and Sewer District (“District”) and a February 26, 2016 Arbitration Award that resolved various water and sewer disputes between the City and the District; and

WHEREAS, following the Court’s grant of Fannin and Deagle’s motion for summary judgment on their breach of contract claim, the City and the District negotiated new water and sewer contracts that gave the City control over water and sewer service to the Property, and the Parties subsequently agreed to mediate the remaining issues in the litigation; and

WHEREAS, as a result of mediation on May 19, 2020, the Parties reached an agreement that permits the City to provide public water and sanitary sewer services to the Property, that provides Fannin and Deagle certain promises subject to the approval of City of Pataskala City Council, and that effectuates dismissal of the Lawsuit; and

WHEREAS, the Parties now wish to compromise, settle, and fully resolve any and all claims, causes of action, demands, and disputes arising under the allegations set forth in the Lawsuit.

In consideration of the mutual agreements and covenants hereinafter set forth, and for good and valuable consideration, the sufficiency of which is hereby acknowledged, the Parties agree as follows:

I. Terms of Settlement

A. Cash Payment

The City will pay Fannin and Deagle, jointly, the sum of Fifty Thousand Dollars and No Cents (\$50,000.00) upon the execution of this Settlement Agreement and the approval of the Settlement Agreement and authorization to disburse funds by the City of Pataskala City Council. The City will make this payment by July 31, 2020.

B. Right to Connect to City Public Water and Sanitary Sewer Services

The City agrees to permit Fannin and Deagle, whenever they so request, to connect the Property to City public water and sanitary sewer services for purposes of developing the property subject to the Capacity Fees Schedule set forth below.

C. Exclusion from Moratorium

The City agrees the Property is excluded from the October 7, 2019 Moratorium (created by Resolution 2019-069).

D. Capacity Fees Schedule

The City agrees to the following fee schedule, which is freely assignable by Fannin and Deagle to any purchaser of all or any portion of the Property. The fees to connect a residential lot to City public water and sanitary sewer services (“Capacity Fees”) shall be:

1. For the first 3 lots: \$0.00 per lot;
2. For lots 4 through 100: \$8,820.00 per lot;
3. For lots 101 through 200: \$10,000.00 per lot.
4. For lots 201 and beyond: Capacity Fees then in effect lot per lot.

This schedule shall be in effect for a period of seven (7) years from the Effective Date. Upon expiration of the seven-year period, Fannin and Deagle, or any assigned purchaser of all or any portion of the Property, will pay the Capacity Fees per lot then in effect.

The Parties agree that the Section I. D. 1., 2., 3., and 4 provisions of the Settlement Agreement do not guarantee Fannin and Deagle, or any assigned purchaser of the Property, a right to develop any specific number of lots. Instead, the fee schedule sets forth herein shall apply to whatever number of lots is approved and developed, which may be more or less than the

number of lots indicated. Fannin and Deagle understand and acknowledge this Settlement Agreement is not an approval of a Development Plan or granting of any zoning and/or building permits. Fannin and Deagle, or any assigned purchaser of all or any portion of the Property, still must apply for, and be granted, all necessary City and/or County permits and receive all necessary approvals in order to develop the Property.

E. Credit for Engineering Fees

The City will provide Fannin and Deagle with a credit of up to \$9,500.00 for fees associated with the City Engineer's plan review process for the Property. The City agrees the engineering review fee credit is freely assignable by Fannin and Deagle to any purchaser of all or any portion of the Property. Fannin and Deagle or any assigned purchaser of all or any portion of the Property is responsible for fees above the \$9,500.00 credit.

F. Dismissal of the Lawsuit

The Parties shall file an Agreed Order of Dismissal with Prejudice, in the form attached hereto as Exhibit A, within ten (10) days after the full execution of this Settlement Agreement and Fannin and Deagle's receipt of the \$50,000.00 payment as described in Section 1.
