Note(s): Modify upgrade order

- Placing State of Ohio orders: Services MUST be ordered through the State of Ohio ordering system. Please contact your Account Executive before ordering through the State of Ohio ordering system as they will be happy to walk you through the first entries as to ensure that the orders are entered correctly and will assist in the possibility that your orders will not be rejected from OIT. Should you enter the orders yourself, please enter the word "NEW" in the Circuit ID and Account Number field as these will only be generated after the circuit(s) have been installed.
- Additional order forms will be required and will be provided directly by your Account Executive (outside of the State of Ohio ordering system) and MUST be completed and returned to your Account Executive to complete your order (ie. Tax exempt certificates, permission to construct, etc.)
- State Ordering system: When selecting a Vendor for your PO for HSD internet COAX based services please use:  
Spectrum Mid-America, LLC (FEIN 45-4593320)  
Remit To: Time Warner Cable, PO Box 223085, Pittsburgh, PA 15251  
State of Ohio Supplier ID: 0000268896
- Installation timeframe: Typical installation timeframe is 4 weeks from receipt of order (unless construction is required).
- Services and Jurisdiction Certificate. Customer acknowledges and certifies that the total interstate traffic (including internet traffic) on the Service(s) constitutes ten percent (10%) or less of the total traffic on the Service and the prices and TWC calculations are based on this acknowledgement.
- Quotation for Services. Customer acknowledges that this quote is for ALL services, bandwidth, term and number of locations listed above. Should the any of these components be changed when customer places the order through the State of Ohio ordering system, this quotation automatically becomes null and void and a new quotation will be required.
