Pataskala City Council

621 W. Broad Street

Pataskala OH 43062

Fellow Council,

I appreciate your consideration of my request to join the Personnel Board of Review. I and my family reside proudly in Pataskala for 8 years now. My oldest son graduated from Watkins Memorial in 2017 and my youngest currently attending Watkins Middle School.

I feel my having over 20 years of leadership experience and a formal education in Human Resource Management make me an ideal candidate for this commission. I am responsible for selecting, on boarding, training, and development of my management staff.

I have faithfully served on the Pataskala City Council Records Commission since 2019. I plan to continue serving as such. I have learned much about servicing our great community and love serving as a role model to my children the importance of civil service, giving back to your city, and having a voice to keeping Pataskala a place my children will want to raise their families in. I truly appreciate your consideration of my appointment to this commission. I am confident I will be successful in the role and will serve the position with the respect it demands as I have shown on the Records Commission.

Thank you,

Timothy Bush
