I am writing today as I am interested in learning a bit more about the open positions for the BZA and the Zoning Commissions.

Do you all happen to have a role description other than the website posting?

I am currently a Pataskala resident and live over by the elementary school at 200 W Mill Street. I am a graduate of the Ohio State University in the City and Regional Planning program. I currently am a Real Estate Tax Accountant with National Church Residences and have been in the apartment/development industry for the better part of a decade between my time as an Apartment Research Analyst and as the Downtown Development Director for the City of Fostoria.

I would love to contribute my expertise to the area I grew up in, but want to learn more about the role to ensure I am a good fit for you all.

I look forward to hearing from you.

Thanks,

Robert "Bob" Jimison
