### **Kathy Hoskinson**

Clerk of Council  
City of Pataskala  
621 W. Broad Street  
Pataskala, OH 430621

To whom it may concern,

In response to the posting for the position available with the Planning and Zoning Commission for the City of Pataskala, please accept this letter as my interest in the position.

I am a currently a Real Estate Tax Accountant with National Church Residences and have been in the development industry off and on for the better part of the last decade between my current job and my time at Vogt Strategic Insights and with the Fostoria Economic Development Corporation. My education at the Ohio State University is also based on the development and planning profession.

I have been in the Pataskala area nearly my entire life having grown up in Beechwood Trails and now living in the city. I am a proud citizen of the community and feel that I should do my duty in contributing to the growth of my neighborhood/ city. I have seen the city making great strides over the recent years and I want to be a part of it!

I would love to have a chance to go over the specifics of the positions and my background with you all and look forward to hearing from you!

Sincerely,

**Robert Jimison**
