Re: Board of Zoning Appeals Appointment Expiration

To Whom it May Concern,

I, Christine Lawyer, would like to express my interest in being reappointed to the Pataskala BZA for a complete four year term. I have enjoyed the time I have been able to serve and have also learned a lot in the process. It would be a pity to stop here. I would appreciate being considered for the position once again. I look forward to hearing from you in this regard.

In addition to expressing my interest, I would like to apologize for not having a resume prepared. I was just reminded of the position's expiration date just today. I have been ever so busy with the holidays.

I will do my best to summarize my life and skills for the position, as follows...

I graduated from  
Gahanna Lincoln High in 1981  
married 1982, and had two sons.

I began a career in Sales beginning at Sun TV & Appliance. I worked my way from the office, into office management and then onto sales.

Through the years, as needed I began to refocus my interests into Real Estate/ Property Management and attended Columbus State Community College. The following years were filled with varying positions in apartment leasing and finally into property management with R.J. Solove & Associates.

After a divorce and remarriage, I bought a beautiful 10acre farm in the Hocking Hills. I became an ordained minister and started my own LLC, "Chris's Cakes & Bridal Baskets" providing 'affordable elegance' in selling 'All things Bridle' to those marrying at the courthouses in the Tri-County area.

Not long after getting established, I injured my back severely and proceeded to have surgeries and lost my farm and marriage.

I was thankfully awarded disability benefits and have been static since.

Having been given 8 beautiful grandchildren and the blessing of being able to help raise them I have managed to stay quite busy. All but three are in highschool now and I have some time on my hands. I was glad to be made aware of the opportunity of the BZA appointment and appreciate your consideration for renewal.

Sincerely,  
Christine Lawyer
