Scott: This email shall serve as confirmation that we request our application for the Broad at Summit preliminary development plan to be tabled until the November 2, 2022 PC meeting. As we discussed earlier today, you will provide me with your staff review of the application that I submitted and I will then compile additional information including traffic access plans, construction timing/phasing, etc. relative to the development of the property and submit the revised application on or before October 7 for the November 2 meeting.

Thank you,

Connie
