Mayor Mike Compton
City Council Members
City of Pataskala

I am contacting you to express my sincere interest in working for the community as Ward 2 Pataskala City Council Representative. I was born and raised in the Pataskala area. My family and I own a small family farm, where we currently raise and sell hogs, mums, cut flowers, baked goods and various other products from our farm market located on Mink St SW. I would consider it an honor to not only represent the citizens of Ward 2 but the entire City of Pataskala.

I work closely with Get Behind the Badge, a non-profit origination to bring the community an annual Santa on the farm event. I have previously sat on the Charter Commission when we formed the city, served on the zoning board of appeals and served as a Licking Heights School Board member.

Thank you for your consideration,
Mary Hite
