➤ **RESOLUTION 2023-031**

A resolution authorizing and directing the City Administrator to execute a program year 2023 Community Housing Impact and Preservation (CHIP) Program Partnership Agreement with the Board of Commissioners of Licking County.

Licking County Development staff administers a county-wide housing rehabilitation program utilizing State of Ohio Community Housing Impact and Preservation (CHIP) and other funds. These funds are available to low-and moderate-income homeowners to assist them with making needed repairs to their homes. This resolution renews our partnership with Licking County Development allowing them to apply for Program Year 2023 Community Housing Impact and Preservation (CHIP) funds. These funds come from the Ohio Development Services Agency/Office of Community Development and represent no cost to the city. Licking County then oversees housing rehabilitation activities throughout Licking County, including Pataskala, (excluding the City of Newark).
