To Whom it May Concern,

I am writing to express my sincere interest in continuing my service on the Planning and Zoning Commission. As my current term is set to expire at the end of the year, I am eager to contribute my skills and experience for another term to further support the community's growth and development.

Since joining the Planning and Zoning Commission in April 2020, I have had the opportunity to actively participate in the decision-making processes that shape our community. Serving on the Commission has been a rewarding experience, allowing me to contribute to the thoughtful planning and strategic development of our city. I have learned a great deal during my tenure, and I am committed to applying this knowledge to address the evolving challenges and opportunities our community faces.

In addition to my service on the Planning and Zoning Commission, I am actively engaged in leadership roles both within our community and at KEMBA Financial Credit Union. I serve as a leader in Cub Scouts, where I have had the privilege of guiding and mentoring young individuals, fostering teamwork, and instilling values that align with the principles of community service.

At KEMBA Financial Credit Union, my leadership role has afforded me the opportunity to develop strong organizational and interpersonal skills. I consistently strive to bring a collaborative and results-oriented approach to my work, qualities that I believe are transferable to the Planning and Zoning Commission.

Looking ahead, I am excited about the prospect of continuing my service on the Planning and Zoning Commission. I am committed to working collaboratively with fellow commissioners, city officials, and community stakeholders to make informed decisions that benefit the present and future of our city.

I appreciate your time and consideration of my application. I am more than willing to discuss further how my experience and skills align with the goals of the Planning and Zoning Commission. I look forward to the opportunity to continue contributing to the betterment of our community.

Thank you for your consideration.

Sincerely,

Frank E. Broering
