Jessica,

Please accept this email and my resume as my interest to continue my role on the Personnel Board of Review. I have been serving in this role for multiple years now. I have always been faithful, accurate, and acting with the utmost integrity the position demands. I have partnered with our great city leaders not only to certify candidates across the board for positions, but also to be their ally to support them in giving needed support when asked in updating job descriptions as well as working through opportunities in staffing as well as compliance with all hiring practices. Thank you for your consideration for continuing my appointment to the PBR. It's been an honor to serve our fine city!

Sincerely yours,

Timothy Bush
