Dear Ms. Cumbo,

I would like to apply for the position of Board Member with the City of Pataskala Parks and Recreation Board. I am very much aligned with the goals and focus of your organization, and I would like to use my skills and interests to help the board support this worthwhile program.

I have been in public service for over 17 years and have experience in strategic planning and have a history of fostering a culture of innovation. My background in understanding and adhering to regulatory compliance along with ethical standards and legal obligations, allows me to be an effective decision maker. I have a track record of building strong relationships with diverse stakeholders, including shareholders, executives, employees, government officials, and the community. My administrative experience and proven leadership skills will prove useful to your organization. Developing and implementing performance measures to evaluate organizational success that aligns with our strategic plan are some of my key strengths. I get along well with others and thrive on finding resolutions to problems. I am confident that these qualities and my commitment to work will be an asset to the board.

I can bring some of my professional achievements to your organization, but I also have personal interest in this role. I believe in championing this program to contribute both positive social and environmental impacts to the Pataskala Community.

My enclosed resume will provide you with more details regarding my professional qualifications and experience. I know that I can bring much benefit with my experience, educational qualifications, and skills and I look forward to hearing from you and thank you for your time.

Sincerely,
Elizabeth Kolp
