

City of Pataskala Finance Department
James M. Nicholson, Finance Director
Finance Director's Report to Council

Current Projects & Issues

- **October 2024** - We are still posting entries for the month of October, but I would anticipate closing the month by early in the first full week in November. I am planning to have the monthly financial condition report for the month out by the end of that week.
- **Income Tax Allocation Rates** – As part of the annual budget process, I use the forecasted carryover fund balances and proposed 2025 spending to determine the appropriate allocation of the income tax revenues to the Debt Service, Street, Police and Capital Improvements funds. The current allocation rates are listed below along with the proposed 2025 allocation rates. The legislation setting these rates are being presented to Council at the same time the annual appropriation ordinance is presented to Council for approval.

Fund	FY 2024	FY 2025
201 – Street Fund	45.00%	43.25%
208 – Police Fund	45.00%	47.25%
301 – Capital Improvements Fund	1.50%	1.50%
401 – Debt Service Fund	8.50%	8.00%

- **2025 Budget** – The proposed budget ordinance and the formal budget book were presented to Council and a first reading of the legislation was held at the October 21st Council meeting. Please know that we have made a number of significant changes and are requesting that the Exhibit A to the legislation be amended by substitution at the meeting. We can still make any additional requested revisions at the November 4th Council meeting and remain on the budget schedule, provided Council formally amends the substituted Exhibit A at the November 4th meeting. I have attached fund financial statements for all of the funds that changed as a result of the proposed supplemental appropriation ordinance or the changes made to the budget or 5-year forecast since the 1st reading.
- **Iron Filter Replacement Project** – We continue to work with the Administration and the Utility department to arrange funding for the Utility Water Plant Iron Filter Replacement project. This project is expected to cost approximately \$3.5 million, and we are planning to borrow the funds for the project. We are currently proposing the issuance of 1-year Bond Anticipation Notes (BANs) to maximize our funding flexibility. We've received bids for the BANs from several bidders. The best proposal was made by Key Banc Capital Markets which we've accepted. They priced the transaction so that the notes would yield 3.40%. Complete details of the bids and Key Banc's offer letter accompany this report. We anticipate closing the transaction on or before December 18,

2024, which would provide the needed funding for the 2025 CIP project. The project expenditures and the resulting debt service have both been included in the 2025 budget.

- **Supplemental Appropriation** – I have prepared a year-end supplemental appropriation ordinance for consideration and a 1st reading by Council at the November 4th meeting. This ordinance is a year-end ‘clean-up’ measure and serves to ensure that adequate appropriations are in the correct budget categories as we wind up 2024. It provides for: (1) the proper distribution of JEDD revenues to the JEDD Board; (2) the appropriation of insurance proceeds related to the totaling of a Police cruiser; (3) several Utility appropriation increases related to the increased number of emergency waterline repairs; (4) ensure adequate funding for the payment of Human Resources consulting invoices; (5) appropriation reclassifications and increases to provide sufficient funding for the construction of a Public Service garage facility; (6) additional appropriations to fund the transition of the city’s budgetary control and accounting system (VIP) to a web-based system; and (7) additional appropriations to purchase network-related equipment such as servers, phones, firewalls, etc. related to the change in information technology service providers. This will be the 1st reading of this ordinance.
- **2025 Health & Life Insurance Renewal**: Employee insurance open enrollment (OE) for the 2025 health insurance program is scheduled for the month of November. We are holding an optional all-employee meeting on November 6th to go over the entire benefits package as well as providing an opportunity for our employees to meet with representatives of Ohio Deferred Compensation and supplemental insurance carriers. We’ve already prepared and distributed the OE materials to employees and will assist them in making any changes that they wish to make.
